Item 1.01. Entry into a Material Definitive Agreement

Reorganization of Certain Subsidiary Holding Companies; Creation of North Bay Holdings

On December 23, 2015, Kenmare Holdings Ltd. (“**Kenmare**”), a wholly-owned subsidiary of Enstar Group Limited (“**Enstar**”), together with its co-investors in Bayshore Holdings Limited (“**Bayshore**”) and Northshore Holdings Limited (“**Northshore**”), completed a corporate holding company reorganization of Bayshore and Northshore (the “**Reorganization**”). Kenmare’s co-investors in both Bayshore and Northshore are Trident V, L.P., Trident V Parallel Fund, L.P. and Trident V Professionals Fund, L.P. (collectively, “**Trident**”) and Dowling Capital Partners I, L.P. (“**Dowling**”). Bayshore is a holding company that was formed to acquire Torus Insurance Holdings Limited and its subsidiaries (renamed the “**StarStone**” group of companies) in 2014. Northshore is a holding company that was formed to acquire Atrium Underwriting Group Limited and its subsidiaries (“**Atrium**”) and Arden Reinsurance Company Ltd. (“**Arden**”) in 2013.

Following the Reorganization, Bayshore and Northshore are owned by a common parent, North Bay Holdings Limited, a Bermuda exempted company (“**North Bay**”). The Reorganization streamlines the ownership structure for Enstar’s two active underwriting platforms, StarStone and Atrium, and is expected to provide administrative efficiencies.

The Reorganization did not materially affect any of the previously disclosed rights and obligations of Enstar, Kenmare or its co-investors in respect of the Bayshore and Northshore investments. However, agreements related to Northshore and Bayshore that were filed previously with the SEC have been amended to reflect the Reorganization or replaced by agreements entered into in connection therewith.

Following the Reorganization, (i) North Bay owns all of the issued and outstanding shares of Bayshore, (ii) North Bay and Atrium Nominees Limited (“**Atrium Nominees**”) own all of the issued and outstanding shares of Northshore, and (iii) Kenmare, Trident and Dowling own all of the issued and outstanding shares of North Bay in substantially the same proportions as they had owned Northshore and Bayshore immediately prior to the Reorganization. Accordingly, the Reorganization did not affect the ultimate economic ownership of either Bayshore or Northshore. Atrium Nominees, an indirect wholly owned subsidiary of Atrium Underwriting Group Limited, acts as the nominee of certain employees of Atrium who have received equity-based awards in Northshore.

James D. Carey, a member of Enstar’s Board of Directors, is a senior principal of Stone Point Capital LLC, which serves as the manager of Trident. Trident collectively owns approximately 8.4% of Enstar’s voting ordinary shares. Mr. Carey is the sole member of an entity that is one of four general partners of the entities serving as general partners for Trident, is a member of the investment committees of such general partners, and is a member of Stone Point Capital.

North Bay Voting and Shareholders’ Agreement

In connection with the Reorganization, Kenmare, Trident, Dowling, Atrium Nominees, North Bay, Bayshore, Northshore and Enstar entered into a Voting and Shareholders’ Agreement (the “**Voting and Shareholders’ Agreement**”) in order to preserve their existing rights and obligations in respect of their Bayshore and Northshore investments. The Voting and Shareholders’ Agreement, among other things, provides that Kenmare has the right to appoint three members to the North Bay board of directors and Trident has the right to appoint two members, and that each of Kenmare, Trident and Dowling has the right to buy its pro rata share of any new securities issued by North Bay. Mr. Carey and a second representative of Trident serve on the board of North Bay.

Under the Voting and Shareholders’ Agreement, each party agreed to use its reasonable best efforts and cooperate with the other parties in good faith to preserve and abide by (i) the rights and obligations of Bayshore, Kenmare, Trident, Dowling and Enstar in respect of their Bayshore investment, as such rights and obligations existed immediately prior to the Reorganization (such rights and obligations, the “**Bayshore Rights and Obligations**”), and (ii) the rights and obligations of Northshore, Kenmare, Trident, Dowling, Enstar and Atrium Nominees in respect of their Northshore investment, as such rights and obligations existed immediately prior to the Reorganization (such rights and obligations, the “**Northshore Rights and Obligations**”).

The Bayshore Rights and Obligations continue to provide, among other things, that during the 90-day period following the fifth anniversary of the StarStone closing (which occurred on April 1, 2014), and at any time following the seventh anniversary of such closing, Kenmare would have the right to purchase for cash the indirect interests in Bayshore owned by all other shareholders of North Bay at their then fair market value. Following the seventh anniversary of the StarStone closing, Trident would have the right to require Kenmare to purchase all of Trident's indirect interest in Bayshore for its then current fair market value and Dowling would have the right to participate in such transaction by requiring Kenmare to purchase all of its indirect interest in Bayshore on the same terms. Kenmare would have the option to pay for such interests either in cash or by delivering Enstar's voting ordinary shares.

The Northshore Rights and Obligations continue to provide for substantially the same rights and obligations as the Bayshore Rights and Obligations, except that the fifth and seventh anniversaries refer to the Arden closing (which occurred on September 9, 2013).

Second Amended and Restated Northshore Shareholders' Agreement

In connection with the Reorganization, North Bay and Atrium Nominees amended and restated the Amended and Restated Northshore Shareholders' Agreement, dated as of March 5, 2015. The Second Amended and Restated Northshore Shareholders' Agreement vests in North Bay all of the rights and obligations that had previously been the rights and obligations of Kenmare prior to the Reorganization and preserves the existing rights and obligations of Atrium Nominees in respect of its Northshore investment. It also provides that North Bay has the right to appoint all of the members of the Northshore board of directors and that Atrium Nominees has the right to be included on a pro rata basis in any sale made by North Bay.

Item 1.02. Termination of a Material Definitive Agreement

Because North Bay owns all of the issued and outstanding shares of Bayshore as a result of the Reorganization, the parties terminated the Amended and Restated Bayshore Shareholders' Agreement, dated as of May 8, 2014, concurrently with the consummation of the Reorganization.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

The provisions of Item 1.01 of this Current Report on Form 8-K that relate to the Trident put rights with respect to its indirect interests in Bayshore and Northshore are incorporated by reference into this Item 2.03.

Item 9.01. Financial Statements and Exhibits

(b) Each Shareholder shall vote all Common Shares over which such Shareholder has voting control and shall take all other necessary or desirable actions within such Shareholder's control (including in its capacity as shareholder, director, member of a board committee or officer of the Company or otherwise, and whether at a regular or special meeting of the Shareholders or by written consent in lieu of a meeting) to elect to the Board any individual designated by an Initial Shareholder pursuant to Section 2.01(a).

(c) Each Initial Shareholder shall have the right at any time to remove (with or without cause) any Director designated by such Initial Shareholder for election to the Board and each other Shareholder shall vote all Common Shares over which such Shareholder has voting control and shall take all other necessary or desirable actions within such Shareholder's control (including in its capacity as shareholder, director, member of a board committee or officer of the Company or otherwise, and whether at a regular or special meeting of the Shareholders or by written consent in lieu of a meeting) to remove from the Board any individual designated by such Initial Shareholder that such Initial Shareholder desires to remove pursuant to this Section 2.01(c). (d) In the event a vacancy is created on the Board at any time and for any reason (whether as a result of death, disability, retirement, resignation or removal pursuant to Section 2.01(c)), the Initial Shareholder who designated such individual shall have the right to designate a different individual to replace such Director and each other Shareholder shall vote all Common Shares over which such Shareholder has voting control and shall take all other necessary or desirable actions within such Shareholder's control (including in its capacity as shareholder, director, member of a board committee or officer of the Company or otherwise, and whether at a regular or special meeting of the Shareholders or by written consent in lieu of a meeting) to elect to the Board any individual designated by such Initial Shareholder.

Subject to this Agreement, the Organizational Documents and Applicable Law, committees of the Board shall have the rights, powers and privileges granted to such committee by the Board from time to time. Any delegation of authority to a committee of Directors to take any action must be approved in the same manner as would be required for the Board to approve such action directly. (f) The presence of a majority of Directors then in office shall constitute a quorum; provided that at least one Trident Director is present at such meeting. If a quorum is not achieved at any duly called meeting, such meeting may be postponed to a time no earlier than 48 hours after written notice of such postponement has been given to the Directors. If no Trident Director is present for three consecutive meetings, then the presence, in person or by proxy, of Directors designated by Shareholders holding at least 51% of the Common Shares shall constitute a quorum for the next meeting.

(g) At the request of either Initial Shareholder, the Company shall cause the board of directors (or similar governing body) of each of Northshore and Bayshore to consist of five directors, including three directors designated by the Enstar Shareholder and two directors designated by the Trident Shareholders and shall otherwise cause such Material Subsidiaries to adopt governance provisions consistent with those set forth in this Section 2.01.

Section 2.02 Voting Arrangements. In addition to any vote or consent of the Board or the Shareholders of the Company required by Applicable Law and other than with respect to the Excluded Transactions, the Company shall not without the consent of the Trident Shareholders take any action or enter into any commitment to take any action to (and shall cause its Material Subsidiaries to not take any action or enter into any commitment to take any action to):

- (a) amend, modify or waive the Organizational Documents or the charter, bye-laws or other organizational documents of any Material Subsidiary;
- (b) make any material changes in the tax or accounting methods or policies or the tax elections of the Company or any Material Subsidiary (other than as required by Applicable Law or GAAP) that would have a materially adverse impact on the Trident Shareholders;

ARTICLE 3
TRANSFER OF INTERESTS

Section 3.01 General Restrictions on Transfer.

(a) Except as permitted pursuant to Section 3.01(b), each Shareholder agrees that such Shareholder will not, directly or indirectly, voluntarily or involuntarily Transfer any of its Common Shares.

(b) The provisions of Section 3.01(a) shall not apply to any of the following Transfers by any Shareholder of any of its Common Shares: (i) to a Permitted Transferee, (ii) pursuant to a merger, consolidation or other business combination of the Company with a Third Party Purchaser that has been approved in compliance with Section 2.02(e), (iii) in connection with an Excluded Transaction, (iv) which is a Transfer of Common Shares which would have been permitted under the Northshore Shareholders' Agreement or the Bayshore Shareholders' Agreement had the Transfer been of Northshore Shares or Bayshore Shares instead of Common Shares and which is made in accordance with and subject to Section 3.02, (v) pursuant to a scheme approved by the Board for the return of income or capital to Shareholders or (vi) which is otherwise approved in writing by Shareholders holding not less than two-thirds of the issued and outstanding Common Shares of the Company immediately prior to the Transfer.

(c) In addition to any legends required by Applicable Law, each certificate (if any) representing the Common Shares of the Company shall bear a legend substantially in the following form (and if the Common Shares are not certificated, the Company's ledger shall include a notation substantially in the following form omitting the reference to a certificate):

"THE SECURITIES REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO A VOTING AND SHAREHOLDERS' AGREEMENT (A COPY OF WHICH IS ON FILE WITH THE SECRETARY OF THE COMPANY). NO TRANSFER, SALE, ASSIGNMENT, PLEDGE, HYPOTHECATION OR OTHER DISPOSITION OF THE SECURITIES REPRESENTED BY THIS CERTIFICATE MAY BE MADE EXCEPT IN ACCORDANCE WITH THE PROVISIONS OF SUCH VOTING AND SHAREHOLDERS' AGREEMENT AND (A) PURSUANT TO A REGISTRATION STATEMENT EFFECTIVE UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED, OR (B) PURSUANT TO AN EXEMPTION FROM REGISTRATION THEREUNDER. THE HOLDER OF THIS CERTIFICATE, BY ACCEPTANCE OF THIS CERTIFICATE, AGREES TO BE BOUND BY ALL OF THE PROVISIONS OF SUCH SHAREHOLDERS' AGREEMENT."

(d) Prior notice shall be given to the Company by the transferor of any Transfer (whether or not to a Permitted Transferee) of any Common Shares. Prior to consummation of any Transfer by any Shareholder of any of its Common Shares, such party shall cause the transferee thereof to execute and deliver to the Company a Joinder Agreement and agree to be bound by the terms and conditions of this Agreement. Upon any Transfer by any Shareholder of any of its Common Shares in accordance with the terms of this Agreement, the transferee thereof shall be substituted for, and shall assume all the rights and obligations under this Agreement of, the transferor thereof.

(e) Notwithstanding any other provision of this Agreement, each Shareholder agrees that it will not, directly or indirectly, Transfer any of its Common Shares (i) except as permitted under the Securities Act and other applicable federal, state or foreign securities laws, and then, if requested by the Company, only upon delivery to the Company of an opinion of counsel in form and substance satisfactory to the Company to the effect that such Transfer may be effected without registration under the Securities Act or any applicable foreign securities laws, (ii) if it would cause the Company or any of its Subsidiaries to be required to register as an investment company under the United States Investment Company Act of 1940, as amended, or any comparable foreign law, or (iii) if it would cause the assets of the Company or any of its Subsidiaries to be deemed plan assets as defined under the United States Employee Retirement Income Security Act of 1974 or its accompanying regulations or any comparable foreign law or result in any "prohibited transaction" thereunder involving the Company. In any event, the Board may refuse the Transfer to any Person if (i) such Transfer would have a material adverse effect on the Company as a result of any regulatory or other restrictions imposed by any Governmental Authority or (ii) any non-de minimis adverse tax consequence to the Company, any Subsidiary of the Company, or any Shareholder or any of their Affiliates would result from such Transfer.

(f) Any Transfer or attempted Transfer of any Common Shares in violation of this Agreement shall be null and void, no such Transfer shall be recorded on the Company's books and the purported transferee in any such Transfer shall not be treated (and the purported transferor shall continue be treated) as the owner of such Common Shares for all purposes of this Agreement.

Section 3.02 Preservation of Existing Rights.

(a) The parties agree that notwithstanding the consummation of the contribution and exchange transactions envisaged by the Contribution and Exchange Agreement, the entry into the Second Amended and Restated Northshore Shareholders' Agreement and the termination of the Bayshore Shareholders' Agreement, they intend to act in all respects to preserve and abide by the existing rights and obligations of each of the parties to the Bayshore Shareholders' Agreement and the Northshore Shareholders' Agreement, as such rights and obligations existed immediately prior to the Effective Date, with respect to the Northshore Shares and Bayshore Shares owned indirectly through the Company and the Northshore Shares owned directly by Atrium Nominees.

(b) Accordingly, each party shall use its reasonable best efforts and shall cooperate with the other parties in good faith in order to preserve and abide by *mutatis mutandi* (i) the rights and obligations of Northshore, the Shareholders, Enstar and Atrium Nominees under the Northshore Shareholders' Agreement and (ii) the rights and obligations of Bayshore, the Shareholders and Enstar under the Bayshore Shareholders' Agreement, and such rights, as between the parties, shall be deemed to continue in full force and effect notwithstanding the consummation of the contribution and exchange transactions envisaged by the Contribution and Exchange Agreement, the entry into the Second Amended and Restated Northshore Shareholders' Agreement and the termination of the Bayshore Shareholders' Agreement.

(c) If, following the Effective Date, any party proposes to exercise a right that it had under the Northshore Shareholders' Agreement or the Bayshore Shareholders' Agreement, such party shall give written notice to the Company and the other parties specifying the material terms of such proposed action, and thereafter the Company and the other parties (as applicable) shall cooperate in good faith (including voting of their Common Stock, as required) in order to negotiate amendments to this Agreement to give effect to such right or the exercise of such right (and the attendant rights and obligations of the other parties, together with such other consequential amendments to this Agreement as are reasonably required) as if it were set forth herein, including, if necessary, amendments to create "tracking stock" of the Company that represents the Company's interest in Northshore on the one hand (any such tracking stock, the "N Shares") and the Company's interest in Bayshore on the other hand (any such tracking stock, the "B Shares").

(d) In furtherance of Sections 3.02(a)-(c), and without limiting the generality thereof, each Shareholder agrees that:

(i) The lock-up periods designated in the Northshore Shareholders' Agreement and the Bayshore Shareholders' Agreement shall apply to the Shareholders' indirect interests in Northshore (or, if created, the N Shares) and the Shareholders' indirect interest in Bayshore (or, if created, the B Shares), respectively.

(ii) The right of first offer provisions in the Northshore Shareholders' Agreement and the Bayshore Shareholders' Agreement shall apply to the Shareholders' indirect interests in Northshore (or, if created, the N Shares) and the Shareholders' indirect interests in Bayshore (or, if created, the B Shares), respectively, including to the Shareholders' Common Shares to the extent that the right of first offer provisions in the Northshore Shareholders' Agreement and the Bayshore Shareholders' Agreement would have been applicable and are exercised contemporaneously.

(iii) The Enstar Shareholder's drag-along right (and the related obligations of all other Shareholders) in the Northshore Shareholders' Agreement and the Bayshore Shareholders' Agreement shall apply to the Shareholders' indirect interests in Northshore (or, if created, the N Shares) and the Shareholders' indirect interests in Bayshore (or, if created, the B Shares), respectively, including to the Shareholders' Common Shares to the extent that such drag-along rights (and the related obligations of all other Shareholders) in the Northshore Shareholders' Agreement and the Bayshore Shareholders' Agreement would have been applicable and are exercised contemporaneously.

(iv) The Shareholders' tag-along rights in the Northshore Shareholders' Agreement and the Bayshore Shareholders' Agreement shall apply to their indirect interests in Northshore (or, if created, the N Shares) and their indirect interests in Bayshore (or, if created, the B Shares), respectively, including to the Shareholders' Common Shares to the extent that such tag-along rights in the Northshore Shareholders' Agreement and the Bayshore Shareholders' Agreement are applicable and would have been exercised contemporaneously.

(v) The Enstar Shareholder's call right (and the related rights and obligations of all other Shareholders) in the Northshore Shareholders' Agreement and the Bayshore Shareholders' Agreement shall apply to the Shareholders' indirect interests in Northshore (or, if created, the N Shares) and the Shareholders' indirect interests in Bayshore (or, if created, the B Shares), respectively, including to the Shareholders' Common Shares to the extent that such call rights (and the related obligations of all other Shareholders) in the Northshore Shareholders' Agreement and the Bayshore Shareholders' Agreement are applicable and would have been exercised contemporaneously.

(vi) The Trident Shareholders' put right (and the related rights and obligations of all other Shareholders and Enstar) in the Northshore Shareholders' Agreement and the Bayshore Shareholders' Agreement shall apply to the Shareholders' indirect interests in Northshore (or, if created, the N Shares) and the Shareholders' indirect interests in Bayshore (or, if created, the B Shares), respectively, including to the Shareholders' Common Shares to the extent that such put rights (and the related obligations of all other Shareholders) in the Northshore Shareholders' Agreement and the Bayshore Shareholders' Agreement are applicable and would have been exercised contemporaneously.

(e) In the event of an Initial Public Offering by the Company or the consummation of a merger or other business combination involving the Company whereby the Common Shares become securities that are listed or admitted to trading on the NASDAQ Stock Market, the New York Stock Exchange or another national securities exchange, each party shall use its reasonable best efforts and shall cooperate with the other parties in good faith to provide liquidity for Atrium Nominees' Northshore Shares that is comparable to the liquidity obtained by the Shareholders in respect of their Common Shares, provided that such efforts shall not require any party to cause the Northshore Shares to be listed for trading on any national securities exchange.

(f) For the avoidance of doubt, if the parties amend this Agreement in any manner in order to effect the sale of all or substantially all of the Company's equity interests in Northshore (whether by merger, recapitalization, consolidation, reorganization, combination or otherwise) other than in an Excluded Transaction or a transaction in which the Company or a Permitted Transferee owns a majority of the outstanding equity interests of the surviving corporation or business entity, each of the parties shall use its reasonable best efforts and cooperate with the other parties in good faith in order to preserve *mutatis mutandi* the tag-along rights of Atrium Nominees under the Northshore Shareholders' Agreement.

ARTICLE 4
PRE-EMPTIVE RIGHTS AND OTHER AGREEMENTS

Section 4.01 Pre-emptive Right.

(a) The Company hereby grants to each Initial Shareholder and the Dowling Shareholder (each, a "Pre-emptive Shareholder") the right to purchase its pro rata portion of any new Common Shares (other than any Excluded Securities) (the "New Securities") that the Company may from time to time propose to issue or sell to any Person.

(b) The Company shall give written notice (an "Issuance Notice") of any proposed issuance described in subsection (a) above to the Pre-emptive Shareholders within five Business Days following any meeting of the Board at which any such issuance or sale is approved. The Issuance Notice shall set forth the material terms and conditions of the proposed issuance, including:

(i) the number of New Securities proposed to be issued and the percentage of the Company's outstanding Common Shares, on a fully diluted basis, that such issuance would represent;

(ii) the proposed issuance date, which shall be at least 20 Business Days from the date of the Issuance Notice; and

(iii) the proposed purchase price per share.

(c) Each Pre-emptive Shareholder shall for a period of 15 Business Days following the receipt of an Issuance Notice (the "Exercise Period") have the right to elect irrevocably to purchase, at the purchase price set forth in the Issuance Notice, up to the amount of New Securities equal to the product of (x) the total number of New Securities to be issued by the Company on the issuance date and (y) a fraction determined by dividing (A) the number of Common Shares owned by such Pre-emptive Shareholder immediately prior to such issuance by (B) the total number of Common Shares owned by

the Initial Shareholders and the Dowling Shareholder on such date immediately prior to such issuance (the “Pre-emptive Pro Rata Portion”) by delivering a written notice to the Company. Such Pre-emptive Shareholder’s election to purchase New Securities shall be binding and irrevocable.

(d) No later than five Business Days following the expiration of the Exercise Period, the Company shall notify each Pre-emptive Shareholder in writing of the number of New Securities that each Pre-emptive Shareholder has agreed to purchase (including, for the avoidance of doubt, where such number is zero) (the “Over-allotment Notice”). Each Pre-emptive Shareholder exercising its right to purchase its Pre-emptive Pro Rata Portion of the New Securities in full (an “Exercising Shareholder”) shall have a right of over-allotment such that if any other Pre-emptive Shareholder fails to exercise its right under this Section 4.01 to purchase its Pre-emptive Pro Rata Portion of the New Securities (each, a “Non-Exercising Shareholder”), such Exercising Shareholder may purchase all or any portion of such Non-Exercising Shareholder’s allotment (the “Over-allotment New Securities”) by giving written notice to the Company (within five Business Days of receipt of the Over-allotment Notice) setting forth the number of Over-allotment New Securities that such Exercising Shareholder is willing to purchase (the “Over-allotment Exercise Period”). Such Exercising Shareholder’s election to purchase Over-allotment New Securities shall be binding and irrevocable. If more than one Exercising Shareholder elects to exercise its right of over-allotment, each Exercising Shareholder shall have the right to purchase the number of Over-allotment New Securities it elected to purchase in its written notice; provided that if the over-allotment New Securities are over-subscribed, each Exercising Shareholder shall purchase its pro rata portion of the available Over-allotment New Securities based upon the relative Pre-emptive Pro Rata Portions of the Exercising Shareholders.

(e) The Company shall be free to complete the proposed issuance or sale of New Securities described in the Issuance Notice with respect to any New Securities not elected to be purchased pursuant to Section 4.01(c) and Section 4.01(d) above in accordance with the terms and conditions set forth in the Issuance Notice (except that the amount of New Securities to be issued or sold by the Company may be reduced) so long as such issuance or sale is closed within 180 days after the expiration of the Over-allotment Exercise Period (subject to the extension of such 180-day period for a reasonable time not to exceed 270 days to the extent reasonably necessary to obtain any Government Approvals). In the event the Company has not sold such New Securities within such time period, the Company shall not thereafter issue or sell any New Securities without first again offering such securities to the Pre-emptive Shareholders in accordance with the procedures set forth in this Section 4.01.

(f) Upon the consummation of the issuance of any New Securities in accordance with this Section 4.01, the Company shall deliver to each Exercising Shareholder certificates (if any) evidencing the New Securities, which New Securities

shall be issued free and clear of any Liens (other than those arising hereunder or under Applicable Law and those attributable to the actions of the purchasers thereof), and the Company shall so represent and warrant to the purchasers thereof, and further represent and warrant to such purchasers that such New Securities shall be, upon issuance thereof to the Exercising Shareholders and after payment therefor, duly authorized and validly issued. Each Exercising Shareholder shall deliver to the Company the purchase price for the New Securities purchased by it by wire transfer of immediately available funds. Each party to the purchase and sale of New Securities shall take all such other actions as may be reasonably necessary to consummate the purchase and sale including entering into such additional agreements as may be necessary or appropriate.

(g) If Northshore or Bayshore proposes at any time to issue or sell to any Person any Northshore Shares or Bayshore Shares (or any other capital stock thereof) in respect of which the Initial Shareholders and the Dowling Shareholder would have had preemptive rights pursuant to the Northshore Shareholders' Agreement or the Bayshore Shareholders' Agreement, the Company shall cause Northshore or Bayshore, as applicable, to grant each Initial Shareholder and the Dowling Shareholder the right to purchase (at the Company's option, either directly or indirectly through such Shareholder's ownership of the Company) such Shareholder's pro rata portion (determined by reference to such Shareholder's indirect interest in Northshore (excluding from such calculation equity held by Atrium Nominees) or Bayshore, as applicable, immediately prior to such issuance) of any such new Northshore Shares or Bayshore Shares (or such other capital stock), and the Company and the other parties (as applicable) shall cooperate in good faith in order to negotiate amendments to the Second Amended and Restated Northshore Shareholders' Agreement or to prepare a shareholders' agreement with respect to Bayshore to give effect to such right or the exercise of such right (and the attendant rights and obligations of the other parties). The preemptive rights provisions in the Northshore Shareholders' Agreement or the Bayshore Shareholders' Agreement, as applicable, shall apply to any such issuances and purchases *mutatis mutandi*.

Section 4.02 Corporate Opportunities. Notwithstanding anything contained in this Agreement or under Applicable Law to the contrary (to the full extent permitted by Applicable Law), (i) the Initial Shareholders, the Dowling Shareholder and their respective Affiliates (A) may engage in or possess an interest in other business ventures of any nature and description (whether similar or dissimilar to the business of the Company or any of its Subsidiaries), independently or with others, and none of the Company, any Subsidiary, any other Shareholder, and each of their respective Affiliates shall have any right by virtue of this Agreement in or to any such investment or interest of the Enstar Shareholder, the Trident Shareholders, the Dowling Shareholder, any Enstar Director or any Trident Director and any of its or their respective Affiliates to any income or profits derived therefrom, and the pursuit of any such venture shall not be deemed wrongful or improper, and (B) shall not be obligated to present any investment

opportunity to the Company or any Subsidiary even if such opportunity is of a character that, if presented to the Company or any Subsidiary, could be taken by the Company or such Subsidiary, and (ii) the parties hereby waive (and the Company shall cause the Subsidiaries to waive) to the fullest extent permitted by law any fiduciary or other duty of the Initial Shareholders, the Dowling Shareholder and the Enstar Directors and Trident Directors not expressly set forth in this Agreement, including fiduciary or other duties that may be related to or associated with self-dealing, corporate opportunities or otherwise, in each case so long as such Person acts in a manner consistent with this Agreement.

Section 4.03 Confidentiality.

(a) Each party shall, and shall cause its Representatives to, keep confidential and not divulge any information (including all budgets, business plans and analyses) concerning the Company and its Subsidiaries, including its assets, business, operations, financial condition or prospects (“Information”), and to use, and cause its Representatives to use, such Information only in connection with the operation of the Company and its Subsidiaries; provided that nothing herein shall prevent any party from disclosing such Information (i) upon the order of any court or administrative agency, (ii) upon the request or demand of any regulatory agency or authority having jurisdiction over such party, (iii) to the extent compelled by legal process or required or requested pursuant to subpoena, interrogatories or other discovery requests, (iv) to the extent necessary in connection with the exercise of any remedy hereunder, (v) to other parties, (vi) to such party’s Representatives that in the reasonable judgment of such party need to know such Information or (vii) to any potential Permitted Transferee in connection with a proposed Transfer of Common Shares from a Shareholder as long as such transferee agrees to be bound by the provisions of this Section 4.03 as if a Shareholder; provided, further, that in the case of clause (i), (ii) or (iii), such party shall notify the other parties of the proposed disclosure as far in advance of such disclosure as practicable and use reasonable efforts to ensure that any Information so disclosed is accorded confidential treatment, when and if available.

(b) The restrictions of Section 4.03(a) shall not apply to information that (i) is or becomes generally available to the public other than as a result of a disclosure by a party or any of its Representatives in violation of this Agreement; (ii) is or becomes available to a party or any of its Representatives on a non-confidential basis prior to its disclosure to the receiving party and any of its Representatives, (iii) is or has been independently developed or conceived by such party without use of the Company’s or any of its Subsidiaries’ Information or (iv) becomes available to the receiving party or any of its Representatives on a non-confidential basis from a source other than the Company or any of its Subsidiaries, any other party or any of their respective Representatives; provided that such source is not known by the recipient of the information to be bound by a confidentiality agreement with the disclosing party or any of its Representatives.

Furthermore, Section 4.03(a) shall not restrict the Enstar Shareholder and its Affiliates from disclosing any Information required to be disclosed under applicable securities laws or the rules of any stock exchange upon which their securities are traded.

Section 4.04 Registration Rights. Upon the request of any Initial Shareholder or the Dowling Shareholder in connection with a contemplated public offering of the equity of the Company or any of its Subsidiaries that is approved in accordance with Section 2.02(g), the Company shall enter into (or shall cause the applicable Subsidiary to enter into) a registration rights agreement with the Initial Shareholders or the Dowling Shareholder containing customary provisions for a transaction of that type, including (a) in the case of an Initial Shareholder, demand registration rights and piggyback registration rights and (b) in the case of the Dowling Shareholder, piggyback registration rights but excluding demand registration rights, in each case with ratable cutbacks, if necessary, regardless of the demanding party or piggyback party.

ARTICLE 5 INFORMATION RIGHTS

Section 5.01 Financial Statements and Reports. In addition to, and without limiting any rights that a Shareholder may have with respect to inspection of the books and records of the Company under Applicable Laws, the Company shall furnish, and shall cause Northshore and Bayshore to furnish, to each Shareholder:

(a) Within 45 days after the end of each quarterly accounting period, an unaudited consolidated balance sheet as of the end of such quarterly accounting period and an unaudited related consolidated income statement, consolidated statement of shareholders' equity and consolidated statement of cash flows for such quarterly accounting period including any footnotes thereto (if any) prepared in accordance with GAAP, consistently applied, together with comparable year-to-date figures;

(c) Such other financial, accounting or other information relating to the Company and its Subsidiaries or their respective operations as any Initial Shareholder may reasonably request from time to time in form and substance reasonably acceptable to such requesting Shareholder.

Section 5.02 Inspection Rights.

(a) The Company shall, and shall cause its officers, Directors and employees to, afford each Shareholder that, together with any Affiliates and/or Permitted Transferees, owns at least 5% of the Company's outstanding Common Shares (or, if applicable, any B Shares or N Shares) and the Representatives of each such Shareholder, during normal business hours and upon reasonable notice, (i) reasonable access at all reasonable times to its and its Subsidiaries' officers, employees, auditors, properties, offices, plants and other facilities and to all books and records, and (ii) the opportunity to consult with its and its Subsidiaries' officers from time to time regarding the Company's and its Subsidiaries' affairs, finances and accounts as each such Shareholder may reasonably request upon reasonable notice.

(b) The right set forth in Section 5.02(a) shall not and is not intended to limit any rights which the Shareholders may have with respect to the books and records of the Company, or to inspect its properties or discuss its affairs, finances and accounts under the laws of the jurisdiction in which the Company is incorporated.

(c) In the event that the Trident Shareholder elects to exercise its rights under Section 5.02(a) it shall be entitled but not obliged to invite the Dowling Shareholder to participate with it for the purposes of such exercise of its rights.

(c) Each Initial Shareholder shall have the right at any time to remove (with or without cause) any Director designated by such Initial Shareholder for election to the Board and each other Shareholder shall vote all Common Shares over which such Shareholder has voting control and shall take all other necessary or desirable actions within such Shareholder's control (including in its capacity as shareholder, director, member of a board committee or officer of the Company or otherwise, and whether at a regular or special meeting of the Shareholders or by written consent in lieu of a meeting) to remove from the Board any individual designated by such Initial Shareholder that such Initial Shareholder desires to remove pursuant to this **Section 2.01(c)**. Except as provided in the preceding sentence, unless an Initial Shareholder shall otherwise consent in writing, no other Shareholder shall take any action to cause the removal of any Director(s) designated by an Initial Shareholder.

(d) In the event a vacancy is created on the Board at any time and for any reason (whether as a result of death, disability, retirement, resignation or removal pursuant to **Section 2.01(c)**), the Initial Shareholder who designated such individual shall have the right to designate a different individual to replace such Director and each other Shareholder shall vote all Common Shares over which such Shareholder has voting control and shall take all other necessary or desirable actions within such Shareholder's control (including in its capacity as shareholder, director, member of a board committee or officer of the Company or otherwise, and whether at a regular or special meeting of the Shareholders or by written consent in lieu of a meeting) to elect to the Board any individual designated by such Initial Shareholder.

(e) The Board shall have the right to establish any committee of Directors as the Board shall deem appropriate from time to time. Subject to this Agreement, the Organizational Documents and Applicable Law, committees of the Board shall have the rights, powers and privileges granted to such committee by the Board from time to time. Any delegation of authority to a committee of Directors to take any action must be approved in the same manner as would be required for the Board to approve such action directly. Any committee of Directors shall be composed of the same proportion of Enstar Directors and Trident Directors as the Initial Shareholders shall then be entitled to appoint to the Board pursuant to this **Section 2.01**.

(f) The presence of a majority of Directors then in office shall constitute a quorum; *provided, that* at least one Trident Director is present at such meeting. If a

quorum is not achieved at any duly called meeting, such meeting may be postponed to a time no earlier than 48 hours after written notice of such postponement has been given to the Directors. If no Trident Director is present for three consecutive meetings, then the presence, in person or by proxy, of Directors designated by Shareholders holding at least 51% of the Common Shares shall constitute a quorum for the next meeting.

Section 2.02 Voting Arrangements. In addition to any vote or consent of the Board or the Shareholders of the Company required by Applicable Law, without the consent of the Trident Shareholders the Company shall not take any action or enter into any commitment to take any action to (and shall cause its Material Subsidiaries to not take any action or enter into any commitment to take any action to):

- (a) amend, modify or waive the Organizational Documents or the charter, bye-laws or other organizational documents of any Material Subsidiary;
- (b) make any material changes in the tax or accounting methods or policies or the tax elections of the Company or any Material Subsidiary (other than as required by Applicable Law or GAAP) that would have a materially adverse impact on the Trident Shareholders;
- (c) enter into, amend in any material respect, waive or terminate any Related Party Agreement other than (i) the entry into a Related Party Agreement that is on an arm's length basis and on terms no less favorable to the Company or the applicable Material Subsidiary than those that could be obtained from an unaffiliated third party and (ii) any reinsurance or other risk transfer arrangement with any Affiliate of the Enstar Shareholder in which all or substantially all of the underlying insurance risk is borne by the Affiliate of the Enstar Shareholder, *provided, however*, that any such reinsurance or other risk transfer transaction provides the Company a market rate fronting fee;
- (d) enter into or effect any material transaction or series of related transactions outside of the ordinary course of business involving the purchase, lease, license, exchange or other acquisition (including by merger, consolidation, acquisition of stock or acquisition of assets) by the Company or any Material Subsidiary of any assets and/or equity interests of any Person that are material in amount to the Company and its Subsidiaries taken as a whole, other than the amalgamation of a subsidiary of the Company with Torus;
- (e) except for a Change of Control effected in accordance with **Section 3.03** which will not require the consent of the Trident Shareholders, enter into or effect any material transaction or series of related transactions outside of the ordinary course of business involving the sale, lease, license, exchange or other disposition (including by merger, consolidation, sale of stock or sale of assets) by the Company or any Material Subsidiary of any stock or assets that are material in amount to the Company and its Subsidiaries taken as a whole;

(f) grant or authorize the grant of Common Shares or other equity securities of the Company or any Subsidiary of the Company in an amount greater than 10% of the value of the then-outstanding Common Shares to any existing or prospective officers, directors, employees or consultants of the Company or any Subsidiary of the Company pursuant to any stock option, employee stock purchase or similar equity-based plans or other compensation agreements;

(g) initiate or consummate an Initial Public Offering or make a public offering and sale of Common Shares or any other securities; or

(h) dissolve, wind-up or liquidate the Company or any Material Subsidiary or initiate a bankruptcy proceeding involving the Company or any Material Subsidiary.

For purposes of this **Section 2.02**, the “ordinary course of business” of the Company and its Subsidiaries shall include the acquisition of insurance and reinsurance companies in run-off and portfolios of insurance and reinsurance business in run-off.

Section 2.03 CEO Matters. Prior to taking any action or entering into any commitment to take any action to appoint or remove (with or without cause) the Company’s chief executive officer or enter into or amend any material term of any employment agreement or arrangement with the Company’s chief executive officer, the Company shall obtain the consent of both the Enstar Shareholder and the Trident Shareholders. The Company shall consult with, but need not obtain the consent of, the Trident Shareholder prior to taking any action or entering into any commitment to take any action to appoint or remove (with or without cause) any Material Subsidiary’s chief executive officer or enter into or amend any material term of any employment agreement or arrangement with any Material Subsidiary’s chief executive officer.

ARTICLE 3 TRANSFER OF INTERESTS

Section 3.01 General Restrictions on Transfer.

(a) Except as permitted pursuant to **Section 3.01(b)**, each Shareholder agrees that such Shareholder will not, directly or indirectly, voluntarily or involuntarily Transfer any of its Common Shares prior to April 1, 2019 (the “**Lock-up Period**”).

(b) The provisions of **Section 3.01(a)**, **Section 3.02**, **Section 3.03** and **Section 3.04** shall not apply to any of the following Transfers by any Shareholder of any of its Common Shares (i) to a Permitted Transferee, (ii) pursuant to a merger, consolidation or other business combination of the Company with a Third Party Purchaser that has been approved in compliance with **Section 2.02(e)** or (iii) which is otherwise approved in writing by Shareholders holding not less than two-thirds of the issued and outstanding Common Shares of the Company immediately prior to the Transfer.

(c) In addition to any legends required by Applicable Law, each certificate (if any) representing the Common Shares of the Company shall bear a legend substantially in the following form (and if the Common Shares are not certificated, the Company's ledger shall include a notation substantially in the following form omitting the reference to a certificate):

“THE SECURITIES REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO A SHAREHOLDERS' AGREEMENT (A COPY OF WHICH IS ON FILE WITH THE SECRETARY OF THE COMPANY). NO TRANSFER, SALE, ASSIGNMENT, PLEDGE, HYPOTHECATION OR OTHER DISPOSITION OF THE SECURITIES REPRESENTED BY THIS CERTIFICATE MAY BE MADE EXCEPT IN ACCORDANCE WITH THE PROVISIONS OF SUCH SHAREHOLDERS' AGREEMENT AND (A) PURSUANT TO A REGISTRATION STATEMENT EFFECTIVE UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED, OR (B) PURSUANT TO AN EXEMPTION FROM REGISTRATION THEREUNDER. THE HOLDER OF THIS CERTIFICATE, BY ACCEPTANCE OF THIS CERTIFICATE, AGREES TO BE BOUND BY ALL OF THE PROVISIONS OF SUCH SHAREHOLDERS' AGREEMENT.”

(d) Prior notice shall be given to the Company by the transferor of any Transfer (whether or not to a Permitted Transferee) of any Common Shares. Prior to consummation of any Transfer by any Shareholder of any of its Common Shares, such party shall cause the transferee thereof to execute and deliver to the Company a Joinder Agreement and agree to be bound by the terms and conditions of this Agreement. Upon any Transfer by any Shareholder of any of its Common Shares, in accordance with the terms of this Agreement, the transferee thereof shall be substituted for, and shall assume all the rights and obligations under this Agreement of, the transferor thereof.

(e) Notwithstanding any other provision of this Agreement, each Shareholder agrees that it will not, directly or indirectly, Transfer any of its Common Shares (i) except as permitted under the Securities Act and other applicable federal, state or foreign securities laws, and then, if requested by the Company, only upon delivery to the Company of an opinion of counsel in form and substance satisfactory to the Company to the effect that such Transfer may be effected without registration under the Securities Act or any applicable foreign securities laws, (ii) if it would cause the Company or any of its Subsidiaries to be required to register as an investment company under the United States Investment Company Act of 1940, as amended, or any comparable foreign law, or (iii) if it would cause the assets of the Company or any of its Subsidiaries to be deemed plan assets as defined under the United States Employee Retirement Income Security Act of 1974 or its accompanying regulations or any comparable foreign law or result in any “prohibited transaction” thereunder involving the Company. In any event, the Board may refuse the Transfer to any Person if (i) such Transfer would have a material adverse effect on the Company as a result of any regulatory or other restrictions imposed by any Governmental Authority or (ii) any non-de minimis adverse tax consequence to the Company, any Subsidiary of the Company, or any Shareholder or any of their Affiliates would result from such Transfer.

(f) Any Transfer or attempted Transfer of any Common Shares in violation of this Agreement shall be null and void, no such Transfer shall be recorded on the Company's books and the purported transferee in any such Transfer shall not be treated (and the purported transferor shall continue be treated) as the owner of such Common Shares for all purposes of this Agreement.

Section 3.02 Right of First Offer.

(a) At any time following the Lock-up Period, and subject to the terms and conditions specified in this **Section 3.02**, each Initial Shareholder shall have a right of first offer if any other Shareholder (such Shareholder, an “**Offering Shareholder**”) proposes to Transfer any Common Shares (the “**Offered Shares**”) owned by it to any Third Party Purchaser. Following the Lock-up Period, each time the Offering Shareholder proposes to Transfer any Offered Shares (other than Transfers permitted pursuant to **Section 3.01** and Transfers made pursuant to **Section 3.03**), the Offering Shareholder shall first make an offering of the Offered Shares to the Initial Shareholders (other than itself, as applicable) in accordance with the following provisions of this **Section 3.02**.

(b) The Offering Shareholder shall give written notice (the “**Offering Shareholder Notice**”) to the Company and the Initial Shareholders (other than itself, as applicable) stating its bona fide intention to Transfer the Offered Shares and specifying the number of Offered Shares and the material terms and conditions, including the price, pursuant to which the Offering Shareholder proposes to Transfer the Offered Shares. The Offering Shareholder Notice shall constitute the Offering Shareholder’s offer to Transfer the Offered Shares to such Initial Shareholders, which offer shall be irrevocable for a period of 20 Business Days (the “**ROFO Notice Period**”).

(c) By delivering the Offering Shareholder Notice, the Offering Shareholder represents and warrants to the Company and to each Initial Shareholder receiving such notice that: (i) the Offering Shareholder has full right, title and interest in and to the Offered Shares; (ii) the Offering Shareholder has all the necessary power and authority and has taken all necessary action to Transfer such Offered Shares as contemplated by this **Section 3.02**; and (iii) the Offered Shares are free and clear of any and all Liens other than those arising as a result of or under the terms of this Agreement.

(d) Upon receipt of the Offering Shareholder Notice, each Initial Shareholder receiving such notice shall have until the end of the ROFO Notice Period to elect to purchase any amount of the Offered Shares by delivering a written notice (a “**ROFO Notice**”) to the Offering Shareholder and the Company stating that it agrees to purchase such specified amount of Offered Shares on the terms specified in the Offering Shareholder Notice. Any ROFO Notice shall be binding upon delivery and irrevocable by

the applicable Shareholder. Each Initial Shareholder that delivers a ROFO Notice shall be a “**Purchasing Shareholder.**” If the Purchasing Shareholder is the Trident Shareholder, then at the same time as the Trident Shareholder delivers a ROFO Notice to the Company it shall also deliver a copy of such notice to the Dowling Shareholder whereupon the Dowling Shareholder shall be entitled upon written notice to the Offering Shareholder, the Company and the Trident Shareholder within ten (10) Business Days after the end of the ROFO Notice Period (the “**Extended ROFO Notice Period**”) to participate in such right of first offer under this **Section 3.02** as if it were an Initial Shareholder in accordance with and subject to the terms of this **Section 3.02** (and references to the Purchasing Shareholder and the Initial Shareholder for the purposes of this **Section 3.02** shall be construed accordingly). If the Initial Shareholders do not, in the aggregate, elect to purchase all of the Offered Shares by the end of the ROFO Notice Period or the Extended ROFO Notice Period (as the case may be), each Purchasing Shareholder shall then have the right to purchase all or any portion of the remaining Offered Shares not elected to be purchased by the Initial Shareholders. As promptly as practicable following the ROFO Notice Period or the Extended ROFO Notice Period (as the case may be), the Offering Shareholder shall deliver a written notice to each Purchasing Shareholder stating the number of remaining Offered Shares available for purchase. For a period of 10 Business Days following the receipt of such notice, each Purchasing Shareholder shall have the right to elect to purchase all or any portion of the remaining Offered Shares by delivering a subsequent ROFO Notice specifying the number of additional Offered Shares it desires to purchase. Notwithstanding the foregoing, the Initial Shareholders may only exercise their rights under this **Section 3.02** to purchase the Offered Shares if, after giving effect to all elections made under this **Section 3.02(d)**, no less than all of the Offered Shares will be purchased by the Purchasing Shareholders. If the Purchasing Shareholders elect to purchase an amount of Shares that exceeds the amount of Offered Shares, then each Purchasing Shareholder’s right to purchase the Offered Shares shall be limited to an amount equal to the lesser of (x) the aggregate number of Offered Shares the Purchasing Shareholder proposes to buy as stated in the ROFO Notice and (y) the product of the aggregate number of Offered Shares multiplied by a fraction (A) the numerator of which is equal to the number of Common Shares then held by the Purchasing Shareholder and (B) the denominator of which is equal to the number of shares then held by all of the Purchasing Shareholders; provided that if the application of the foregoing formula results in less than all the Offered Shares being allocated to the Purchasing Shareholders, the remaining Offered Shares shall be allocated among the Purchasing Shareholders who received less than the number of Offered Shares they proposed to buy as stated in their ROFO Notice by successive application of the foregoing formula to the aggregate number of unallocated Offered Shares *mutatis mutandis*, including adjusting clause (x) of the formula as necessary to reflect the number of Offered Shares previously allocated to each such Purchasing Shareholder and the removal from clause (y)(B) of the formula of any Common Shares held by any Purchasing Shareholder previously allocated all of the Offered Shares they proposed to buy as stated in their ROFO Notice.

(e) If an Initial Shareholder does not deliver a ROFO Notice during the ROFO Notice Period or the Dowling Shareholder does not deliver a ROFO Notice during the Extended ROFO Notice Period, then such Initial Shareholder or the Dowling Shareholder (as the case may be) shall be deemed to have waived all of such Shareholder's rights to purchase the Offered Shares under this **Section 3.02**. For the avoidance of doubt, if the Trident Shareholder does not deliver a ROFO Notice during the ROFO Notice Period, then the Dowling Shareholder shall not be entitled to participate in the right of first offer hereunder and shall not be deemed to be a Purchasing Shareholder or an Initial Shareholder for the purposes of this **Section 3.02**.

(f) If no Initial Shareholder delivers a ROFO Notice or if the Purchasing Shareholders elect to purchase less than all of the Offered Shares in accordance with **Section 3.02(d)**, the Offering Shareholder may, during the 180-day period immediately following the expiration of the ROFO Notice Period, which period may be extended for a reasonable time not to exceed 270 days to the extent reasonably necessary to obtain any Government Approvals (the "**Waived ROFO Transfer Period**"), and subject to the provisions of **Section 3.04**, Transfer all of the Offered Shares to a Third Party Purchaser on terms and conditions no more favorable to the Third Party Purchaser than those set forth in the Offering Shareholder Notice. If the Offering Shareholder does not consummate the Transfer of the Offered Shares within the Waived ROFO Transfer Period, the rights provided hereunder shall be deemed to be revived and the Offered Shares shall not be offered to any Person unless first re-offered to the Initial Shareholders (other than itself, as applicable) in accordance with this **Section 3.02**.

(g) Each Shareholder shall take all actions as may be reasonably necessary to consummate any Transfer contemplated by this **Section 3.02**, including entering into agreements and delivering certificates and instruments and consents as may be deemed necessary or appropriate.

(h) At the closing of any Transfer pursuant to this **Section 3.02**, the Offering Shareholder shall deliver to the Purchasing Shareholders the certificate or certificates representing the Offered Shares to be sold (if any), accompanied by stock powers and all necessary stock transfer taxes paid and stamps affixed, if necessary, against receipt of the purchase price therefor from such Purchasing Shareholders by certified or official bank check or by wire transfer of immediately available funds.

Section 3.03 Drag-along Rights.

(a) If at any time following the Lock-up Period the Enstar Shareholder (together with its Permitted Transferees) holds no less than 55% of the aggregate number of outstanding Common Shares of the Company held by the Initial Shareholders at such time and receives a bona fide offer from a Third Party Purchaser to consummate, in one transaction, or a series of related transactions, a Change of Control (a "**Drag-along Sale**"), the Enstar Shareholder shall have the right to require that each other Shareholder

(each, a “**Drag-along Shareholder**”) participate in such Transfer in the manner set forth in this **Section 3.03**, *provided, however*, that no Drag-along Shareholder shall be required to participate in the Drag-along Sale if the consideration for the Drag-along Sale is other than cash or registered securities listed on an established U.S. or foreign securities exchange. Notwithstanding anything to the contrary in this Agreement, each Drag-along Shareholder shall vote in favor of the transaction and take all actions to waive any dissenters, appraisal or other similar rights.

(b) The Enstar Shareholder shall exercise its rights pursuant to this **Section 3.03** by delivering a written notice (the “**Drag-along Notice**”) to the Company and each Drag-along Shareholder no later than 20 days prior to the closing date of such Drag-along Sale. The Drag-along Notice shall make reference to the Enstar Shareholder’s rights and obligations hereunder and shall describe in reasonable detail:

(i) the number of Common Shares to be sold by the Enstar Shareholder, if the Drag-along Sale is structured as a Transfer of Common Shares;

(ii) the identity of the Third Party Purchaser;

(iii) the proposed date, time and location of the closing of the Drag-along Sale;

(iv) the per share purchase price and the other material terms and conditions of the Transfer, including a description of any non-cash consideration in sufficient detail to permit the valuation thereof; and

(v) a copy of any form of agreement proposed to be executed in connection therewith.

(c) If the Drag-along Sale is structured as a Transfer of Common Shares, then, subject to **Section 3.03(d)**, each Drag-along Shareholder shall Transfer the number of shares equal to the product of (x) the number of Common Shares held by such Drag-along Shareholder and (y) a fraction (A) the numerator of which is equal to the number of Common Shares the Enstar Shareholder proposes to sell or transfer in the Drag-along Sale and (B) the denominator of which is equal to the number of Common Shares then held by the Enstar Shareholder.

(d) The consideration to be received by a Drag-along Shareholder shall be the same form and amount of consideration per share of Common Shares to be received by the Enstar Shareholder (or, if the Enstar Shareholder is given an option as to the form and amount of consideration to be received, the same option shall be given) and the terms and conditions of such Transfer shall, except as otherwise provided in the immediately succeeding sentence, be the same as those upon which the Enstar Shareholder Transfers its Common Shares. Each Drag-along Shareholder shall make or provide the same representations, warranties, covenants, indemnities and agreements as the Enstar

Shareholder makes or provides in connection with the Drag-along Sale (except that in the case of representations, warranties, covenants, indemnities and agreements pertaining specifically to the Enstar Shareholder, the Drag-along Shareholder shall make the comparable representations, warranties, covenants, indemnities and agreements pertaining specifically to itself); *provided, that* all representations, warranties, covenants and indemnities shall be made by the Enstar Shareholder and each Drag-along Shareholder severally and not jointly and any indemnification obligation shall be pro rata based on the consideration received by the Enstar Shareholder and each Drag-along Shareholder, in each case in an amount not to exceed the aggregate proceeds received by the Enstar Shareholder and each such Drag-along Shareholder in connection with the Drag-along Sale.

(e) The fees and expenses of the Enstar Shareholder incurred in connection with a Drag-along Sale and for the benefit of all Shareholders (it being understood that costs incurred by or on behalf of a Enstar Shareholder for its sole benefit will not be considered to be for the benefit of all Shareholders), to the extent not paid or reimbursed by the Company or the Third Party Purchaser, shall be shared by all the Shareholders on a pro rata basis, based on the aggregate consideration received by each Shareholder; *provided, that* no Shareholder shall be obligated to make or reimburse any out-of-pocket expenditure prior to the consummation of the Drag-along Sale.

(f) Each Shareholder shall take all actions as may be reasonably necessary to consummate the Drag-along Sale, including entering into agreements and delivering certificates and instruments, in each case consistent with the agreements being entered into and the certificates being delivered by the Enstar Shareholder.

(g) The Enstar Shareholder shall have 180 days following the date of the Drag-along Notice in which to consummate the Drag-along Sale, on the terms set forth in the Drag-along Notice (which such 180-day period may be extended for a reasonable time not to exceed 270 days to the extent reasonably necessary to obtain any Government Approvals). If at the end of such period, the Enstar Shareholder has not completed the Drag-along Sale, the Enstar Shareholder may not then effect a transaction subject to this **Section 3.03** without again fully complying with the provisions of this **Section 3.03**.

Section 3.04 Tag-along Rights.

(a) If at any time following the Lock-up Period a Shareholder (the “**Selling Shareholder**”) proposes to Transfer any shares of its Common Shares to a Third Party Purchaser (the “**Proposed Transferee**”) (and if the Selling Shareholder is the Enstar Shareholder and it cannot or has not elected to exercise its drag-along rights set forth in **Section 3.03**), each other Shareholder (each, a “**Tag-along Shareholder**”) shall be permitted to participate in such Transfer (a “**Tag-along Sale**”) on the terms and conditions set forth in this **Section 3.04**.

(b) Prior to the consummation of any such Transfer of Common Shares described in **Section 3.04(a)**, and after satisfying its obligations pursuant to **Section 3.02**, the Selling Shareholder shall deliver to the Company and each other Shareholder a written notice (a "**Sale Notice**") of the proposed Tag-along Sale subject to this **Section 3.04** no later than 20 Business Days prior to the closing date of the Tag-along Sale. The Sale Notice shall make reference to the Tag-along Shareholders' rights hereunder and shall describe in reasonable detail:

(i) the aggregate number of Common Shares the Proposed Transferee has offered to purchase.

(ii) the identity of the Proposed Transferee;

(iii) the proposed date, time and location of the closing of the Tag-along Sale;

(iv) the per share purchase price and the other material terms and conditions of the Transfer, including a description of any non-cash consideration in sufficient detail to permit the valuation thereof; and

(v) a copy of any form of agreement proposed to be executed in connection therewith.

(c) Each Tag-along Shareholder shall exercise its right to participate in a Transfer of Common Shares by the Selling Shareholder subject to this **Section 3.04** by delivering to the Selling Shareholder a written notice (a "**Tag-along Notice**") stating its election to do so and specifying the number of Common Shares to be Transferred by it no later than five Business Days after receipt of the Sale Notice (the "**Tag-along Period**"). The offer of each Tag-along Shareholder set forth in a Tag-along Notice shall be irrevocable, and, to the extent such offer is accepted, such Tag-along Shareholder shall be bound and obligated to Transfer in the proposed Transfer on the terms and conditions set forth in this **Section 3.04**. The Selling Shareholder and each Tag-along Shareholder shall have the right to Transfer in a Transfer subject to this **Section 3.04** the number of Common Shares equal to the product of (x) the aggregate number of Common Shares the Proposed Transferee proposes to buy as stated in the Sale Notice and (y) a fraction (A) the numerator of which is equal to the number of Common Shares then held by the Selling Shareholder or such Tag-along Shareholder, as the case may be, and (B) the denominator of which is equal to the number of shares then held by the Selling Shareholder and each Tag-along Shareholder.

(d) Each Tag-along Shareholder who does not deliver a Tag-along Notice in compliance with **Section 3.04(c)** above shall be deemed to have waived all of such Tag-along Shareholder's rights to participate in such Transfer, and the Selling Shareholder shall (subject to the rights of any participating Tag-along Shareholder) thereafter be free to Transfer to the Proposed Transferee its Common Shares at a per share price that is no

greater than the per share price set forth in the Sale Notice and on other terms and conditions which are not materially more favorable to the Selling Shareholder than those set forth in the Sale Notice without any further obligation to the non-accepting Tag-along Shareholders.

(e) Each Tag-along Shareholder participating in a Transfer pursuant to this **Section 3.04** shall receive the same consideration per share as the Selling Shareholder after deduction of such Tag-along Shareholder's proportionate share of the related expenses in accordance with **Section 3.04(g)** below.

(f) Each Tag-along Shareholder shall make or provide the same representations, warranties, covenants, indemnities and agreements as the Selling Shareholder makes or provides in connection with the Tag-along Sale (except that in the case of representations, warranties, covenants, indemnities and agreements pertaining specifically to the Selling Shareholder, the Tag-along Shareholder shall make the comparable representations, warranties, covenants, indemnities and agreements pertaining specifically to itself); *provided, that* all representations, warranties, covenants and indemnities shall be made by the Selling Shareholder and each Tag-along Shareholder severally and not jointly and any indemnification obligation in respect of breaches of representations and warranties shall be pro rata based on the consideration received by the Selling Shareholder and each Tag-along Shareholder, in each case in an amount not to exceed the aggregate proceeds received by the Selling Shareholder and each such Tag-along Shareholder in connection with any Tag-along Sale.

(g) The fees and expenses of the Selling Shareholder incurred in connection with a Tag-along Sale and for the benefit of all Shareholders (it being understood that costs incurred by or on behalf of the Selling Shareholder for its sole benefit will not be considered to be for the benefit of all Shareholders), to the extent not paid or reimbursed by the Company or the Proposed Transferee, shall be shared by all the Shareholders participating in the Tag-along Sale on a pro rata basis, based on the aggregate consideration received by each such Shareholder; *provided, that* no Shareholder shall be obligated to make or reimburse any out-of-pocket expenditure prior to the consummation of the Tag-along Sale.

(h) Each Tag-along Shareholder shall take all actions as may be reasonably necessary to consummate the Tag-along Sale, including entering into agreements and delivering certificates and instruments, in each case consistent with the agreements being entered into and the certificates being delivered by the Selling Shareholder.

(i) The Selling Shareholder shall have 180 days following the expiration of the Tag-along Period in which to Transfer the Common Shares described in the Sale Notice, on the terms set forth in the Sale Notice (which such 180-day period may be extended for a reasonable time not to exceed 270 days to the extent reasonably necessary to obtain any Government Approvals). If at the end of such period, the Selling

Shareholder has not completed such Transfer, the Selling Shareholder may not then effect a Transfer of Common Shares subject to this **Section 3.04** without again fully complying with the provisions of this **Section 3.04**.

(j) If the Selling Shareholder Transfers to the Proposed Transferee any of its Common Shares in breach of this **Section 3.04**, then each Tag-along Shareholder shall have the right to Transfer to the Selling Shareholder, and the Selling Shareholder undertakes to purchase from each Tag-along Shareholder, the number of Common Shares that such Tag-along Shareholder would have had the right to Transfer to the Proposed Transferee pursuant to this **Section 3.04**, for a per share amount and form of consideration and upon the terms and conditions on which the Proposed Transferee bought such Common Shares from the Selling Shareholder, but without indemnity being granted by any Tag-along Shareholder to the Selling Shareholder; *provided, that*, nothing contained in this **Section 3.04** shall preclude any Shareholder from seeking alternative remedies against such Selling Shareholder as a result of its breach of this **Section 3.04**.

Section 3.05 Enstar Call Right and Trident Put Right.

(a) At any time during the period beginning on April 1, 2019, and ending on June 30, 2019, or at any time following April 1, 2021, the Enstar Shareholder shall have the right (a "**Call Right**") by written notice to the other Shareholders to purchase all, but not less than all, of the Common Shares owned by the other Shareholders and their Permitted Transferees.

(b) At any time after April 1, 2021, the Trident Shareholders, acting collectively, shall have the right (the "**Put Right**") to require the Enstar Shareholder to purchase all, but not less than all, of the Common Shares held by the Trident Shareholders and their Permitted Transferees collectively. In the event that the Trident Shareholders elect to exercise their rights under this **Section 3.05(b)**, then the Trident Shareholders shall give written notice (a "**Put Notice**") to the Company, the Enstar Shareholder and the other Shareholders stating their bona fide intention to exercise their Put Right over their Common Shares. Upon receipt of the Put Notice, each other Shareholder (other than the Enstar Shareholder or the Trident Shareholders) receiving such notice shall have 20 Business Days (the "**Put Notice Period**") to elect to participate in such exercise of the Put Right by the Trident Shareholders by delivering a written notice (a "**Participation Notice**") to the Company, the Enstar Shareholder and the Trident Shareholders requiring the Enstar Shareholder to purchase all, but not less than all, of the Common Shares held by such Shareholder and its Permitted Transferees. Any Participation Notice shall be binding upon delivery and irrevocable by the applicable Shareholder. Each Shareholder that does not deliver a Participation Notice during the Put Notice Period shall be deemed to have waived all of such Shareholder's rights to participate in the exercise of the Put Right. By delivering a Participation Notice, the relevant Shareholder represents and warrants to the Company and to the Enstar Shareholder that: (i) it has full right, title and interest in and to the Common Shares which

are the subject of the Participation Notice; (ii) it has all the necessary power and authority and has taken all necessary action to Transfer such Common Shares as contemplated by this **Section 3.05(b)**; and (iii) such Common Shares are free and clear of any and all Liens other than those arising as a result of or under the terms of this Agreement.

(c) The purchase price payable by the Enstar Shareholder upon the exercise of the Call Right or the Put Right, as the case may be, shall be equal to fair market value of the Common Shares held by the relevant Shareholder(s) and their Permitted Transferees which are the subject of the Call Right or the Put Right as exercised pursuant to this **Section 3.05** (the "**Relevant Shareholder(s)**") calculated based on the overall fair market value of the Company determined on a going concern basis as between a willing buyer and willing seller with no discount for illiquidity or a minority interest, as such value may be mutually agreed upon by the Enstar Shareholder and the Trident Shareholder or, if no such agreement is reached, determined in accordance with the procedures set forth below (the "**Fair Market Value**"):

(i) Promptly after determining that the Enstar Shareholder and the Trident Shareholders are unable to agree upon a Fair Market Value but, in any event, no later than 30 Business Days after the exercise of the Call Right or the Put Right, as the case may be, the Enstar Shareholder and the Trident Shareholders shall appoint a mutually acceptable independent appraiser (the "**Independent Appraiser**") to determine the Fair Market Value (determined on a going concern basis as between a willing buyer and a willing seller with no discount for illiquidity or a minority interest) of the Common Shares held by the Relevant Shareholder(s) and their Permitted Transferees. Each of the Enstar Shareholder and the Trident Shareholders (acting together) shall provide the Independent Appraiser with its respective determination of Fair Market Value, together with the supporting calculations and analyses prepared by such Initial Shareholder with respect thereto. The Enstar Shareholder and the Trident Shareholders shall instruct the Independent Appraiser to determine, in writing within 30 days of such Independent Appraiser's appointment, which of the Enstar Shareholder's and the Trident Shareholders' determination of Fair Market Value is the more reasonable, and such determination shall be final for all purposes of this **Section 3.05**. The costs and expenses of the Independent Appraiser shall be borne equally by the Enstar Shareholder and the Trident Shareholders.

(ii) To enable the Independent Appraiser to conduct the valuation, the Enstar Shareholder, the Relevant Shareholder(s) and the Company shall furnish to the Independent Appraiser such information as the Independent Appraiser may request, including information regarding the business of the Company and its Subsidiaries and the Company's assets, properties, financial condition, earnings and prospects.

(d) Within 90 days after the date of the final determination of the Fair Market Value pursuant to this **Section 3.05** (which period shall be extended solely to the extent needed to obtain any required Government Approvals, *provided, that* the Shareholders shall, and shall cause their Permitted Transferees to, have used their reasonable best

efforts to obtain such approvals in a timely manner, and *provided, further, that* in no event shall the Enstar Shareholder be obligated to pay the purchase price for a sale and purchase pursuant to the Put Right in cash due to any failure to obtain any Government Approvals that are required to permit the Relevant Shareholders to acquire or hold any unrestricted ordinary shares of Enstar), the Relevant Shareholders shall, and shall cause their Permitted Transferees to, sell to the Enstar Shareholder, free and clear of any Liens, all of the Common Shares held by them.

(e) Each Shareholder shall take all actions as may be reasonably necessary to consummate the sale contemplated by this **Section 3.05**, including entering into agreements and delivering certificates and instruments and consents as may be deemed necessary or appropriate.

(f) At the closing of any sale and purchase pursuant to this **Section 3.05**, the Relevant Shareholders shall, and shall cause their Permitted Transferees to, deliver to the Enstar Shareholder the certificate or certificates representing their Common Shares (if any), accompanied by stock powers and all necessary stock transfer taxes paid and stamps affixed, if necessary, against receipt of the purchase price therefor from the Enstar Shareholder by, (i) in the case of a sale and purchase pursuant to the Call Right, wire transfer of immediately available funds, or (ii) in the case of a sale and purchase pursuant to the Put Right, at the option of the Enstar Shareholder, either (A) wire transfer of immediately available funds, (B) unrestricted ordinary shares of Enstar (provided that such ordinary shares are then listed or admitted to trading on the NASDAQ Stock Market, the New York Stock Exchange or another national securities exchange), or (C) a combination of (A) and (B). If the purchase price at the closing of any sale and purchase pursuant to this **Section 3.05** consists of unrestricted ordinary shares of Enstar, the value of such ordinary shares will be deemed to equal the average of the last reported sale price of the ordinary shares over the 10 trading day period ending on, and including, the trading day immediately preceding the effective date of any such closing.

(g) Enstar hereby absolutely, unconditionally and irrevocably guarantees to each of the Shareholders (other than the Enstar Shareholder) and their Permitted Transferees, on the terms and conditions set forth herein, the due and punctual payment, observance, performance and discharge of the Enstar Shareholder's obligations under this **Section 3.05**. Each of the Shareholders hereby agrees that in no event shall Enstar be required to pay any amount to the Shareholders or their Permitted Transferees under, in respect of, or in connection with this Agreement other than as expressly set forth herein.

ARTICLE 4
PRE-EMPTIVE RIGHTS AND OTHER AGREEMENTS

Section 4.01 Pre-emptive Right.

(a) The Company hereby grants to each Initial Shareholder and the Dowling Shareholder (each, a “**Pre-emptive Shareholder**”) the right to purchase its pro rata portion of any new Common Shares (other than any Excluded Securities) (the “**New Securities**”) that the Company may from time to time propose to issue or sell to any Person.

(b) The Company shall give written notice (an “**Issuance Notice**”) of any proposed issuance described in subsection (a) above to the Pre-emptive Shareholders within five Business Days following any meeting of the Board at which any such issuance or sale is approved. The Issuance Notice shall set forth the material terms and conditions of the proposed issuance, including:

(i) the number of New Securities proposed to be issued and the percentage of the Company’s outstanding Common Shares, on a fully diluted basis, that such issuance would represent;

(ii) the proposed issuance date, which shall be at least 20 Business Days from the date of the Issuance Notice; and

(iii) the proposed purchase price per share.

(c) Each Pre-emptive Shareholder shall for a period of 15 Business Days following the receipt of an Issuance Notice (the “**Exercise Period**”) have the right to elect irrevocably to purchase, at the purchase price set forth in the Issuance Notice, up to the amount of New Securities equal to the product of (x) the total number of New Securities to be issued by the Company on the issuance date and (y) a fraction determined by dividing (A) the number of Common Shares owned by such Pre-emptive Shareholder immediately prior to such issuance by (B) the total number of Common Shares owned by all Initial Shareholders on such date immediately prior to such issuance (the “**Pre-emptive Pro Rata Portion**”) by delivering a written notice to the Company. Such Pre-emptive Shareholder’s election to purchase New Securities shall be binding and irrevocable.

(d) No later than five Business Days following the expiration of the Exercise Period, the Company shall notify each Pre-emptive Shareholder in writing of the number of New Securities that each Pre-emptive Shareholder has agreed to purchase (including, for the avoidance of doubt, where such number is zero) (the “**Over-allotment Notice**”). Each Pre-emptive Shareholder exercising its right to purchase its Pre-emptive Pro Rata Portion of the New Securities in full (an “**Exercising Shareholder**”) shall have a right of over-allotment such that if any other Pre-emptive Shareholder fails to exercise its right under this **Section 4.01** to purchase its Pre-emptive Pro Rata Portion of the New Securities (each, a “**Non-Exercising Shareholder**”), such Exercising Shareholder may purchase all or any portion of such Non-Exercising Shareholder’s allotment (the “**Over-allotment New Securities**”) by giving written notice to the Company (within five

Business Days of receipt of the Over-allotment Notice) setting forth the number of Over-allotment New Securities that such Exercising Shareholder is willing to purchase (the “**Over-allotment Exercise Period**”). Such Exercising Shareholder’s election to purchase Over-allotment New Securities shall be binding and irrevocable. If more than one Exercising Shareholder elects to exercise its right of over-allotment, each Exercising Shareholder shall have the right to purchase the number of Over-allotment New Securities it elected to purchase in its written notice; *provided, that* if the over-allotment New Securities are over-subscribed, each Exercising Shareholder shall purchase its pro rata portion of the available Over-allotment New Securities based upon the relative Pre-emptive Pro Rata Portions of the Exercising Shareholders.

(e) The Company shall be free to complete the proposed issuance or sale of New Securities described in the Issuance Notice with respect to any New Securities not elected to be purchased pursuant to **Section 4.01(c)** and **Section 4.01(d)** above in accordance with the terms and conditions set forth in the Issuance Notice (except that the amount of New Securities to be issued or sold by the Company may be reduced) so long as such issuance or sale is closed within 180 days after the expiration of the Over-allotment Exercise Period (subject to the extension of such 180-day period for a reasonable time not to exceed 270 days to the extent reasonably necessary to obtain any Government Approvals). In the event the Company has not sold such New Securities within such time period, the Company shall not thereafter issue or sell any New Securities without first again offering such securities to the Shareholders in accordance with the procedures set forth in this **Section 4.01**.

(f) Upon the consummation of the issuance of any New Securities in accordance with this **Section 4.01**, the Company shall deliver to each Exercising Shareholder certificates (if any) evidencing the New Securities, which New Securities shall be issued free and clear of any Liens (other than those arising hereunder or under Applicable Law and those attributable to the actions of the purchasers thereof), and the Company shall so represent and warrant to the purchasers thereof, and further represent and warrant to such purchasers that such New Securities shall be, upon issuance thereof to the Exercising Shareholders and after payment therefor, duly authorized and validly issued. Each Exercising Shareholder shall deliver to the Company the purchase price for the New Securities purchased by it by wire transfer of immediately available funds. Each party to the purchase and sale of New Securities shall take all such other actions as may be reasonably necessary to consummate the purchase and sale including entering into such additional agreements as may be necessary or appropriate.

Section 4.02 Corporate Opportunities. Notwithstanding anything contained in this Agreement or under Applicable Law to the contrary (to the full extent permitted by Applicable Law), (i) the Initial Shareholders, the Dowling Shareholder and their respective Affiliates (A) may engage in or possess an interest in other business ventures of any nature and description (whether similar or dissimilar to the business of the

Company or any of its Subsidiaries), independently or with others, and none of the Company, any Subsidiary, any other Shareholder, and each of their respective Affiliates shall have any right by virtue of this Agreement in or to any such investment or interest of the Enstar Shareholder, the Trident Shareholders, the Dowling Shareholder, any Enstar Director or any Trident Director and any of its or their respective Affiliates to any income or profits derived therefrom, and the pursuit of any such venture shall not be deemed wrongful or improper, and (B) shall not be obligated to present any investment opportunity to the Company or any Subsidiary even if such opportunity is of a character that, if presented to the Company or any Subsidiary, could be taken by the Company or such Subsidiary, and (ii) the parties hereby waive (and the Company shall cause the Subsidiaries to waive) to the fullest extent permitted by law any fiduciary or other duty of the Initial Shareholders, the Dowling Shareholder and the Enstar Directors and Trident Directors not expressly set forth in this Agreement, including fiduciary or other duties that may be related to or associated with self-dealing, corporate opportunities or otherwise, in each case so long as such Person acts in a manner consistent with this Agreement.

Section 4.03 Confidentiality.

(a) Each Shareholder shall and shall cause its Representatives to, keep confidential and not divulge any information (including all budgets, business plans and analyses) concerning the Company, including its assets, business, operations, financial condition or prospects (“**Information**”), and to use, and cause its Representatives to use, such Information only in connection with the operation of the Company; *provided, that* nothing herein shall prevent any Shareholder from disclosing such Information (i) upon the order of any court or administrative agency, (ii) upon the request or demand of any regulatory agency or authority having jurisdiction over such Shareholder, (iii) to the extent compelled by legal process or required or requested pursuant to subpoena, interrogatories or other discovery requests, (iv) to the extent necessary in connection with the exercise of any remedy hereunder, (v) to other Shareholders, (vi) to such Shareholder’s Representatives that in the reasonable judgment of such Shareholder need to know such Information or (vii) to any potential Permitted Transferee in connection with a proposed Transfer of Common Shares from such Shareholder as long as such transferee agrees to be bound by the provisions of this **Section 4.03** as if a Shareholder, *provided, further, that* in the case of clause (i), (ii) or (iii), such Shareholder shall notify the other Shareholders of the proposed disclosure as far in advance of such disclosure as practicable and use reasonable efforts to ensure that any Information so disclosed is accorded confidential treatment, when and if available.

(b) The restrictions of **Section 4.03(a)** shall not apply to information that (i) is or becomes generally available to the public other than as a result of a disclosure by a Shareholder or any of its Representatives in violation of this Agreement; (ii) is or becomes available to a Shareholder or any of its Representatives on a non-confidential

basis prior to its disclosure to the receiving Shareholder and any of its Representatives, (iii) is or has been independently developed or conceived by such Shareholder without use of the Company's Information or (iv) becomes available to the receiving Shareholder or any of its Representatives on a non-confidential basis from a source other than the Company, any other Shareholder or any of their respective Representatives, *provided, that* such source is not known by the recipient of the information to be bound by a confidentiality agreement with the disclosing Shareholder or any of its Representatives. Furthermore, **Section 4.03(a)** shall not restrict the Enstar Shareholder and its Affiliates from disclosing any Information required to be disclosed under applicable securities laws or the rules of any stock exchange upon which their securities are traded.

Section 4.04 Registration Rights. Upon the request of any Initial Shareholder or the Dowling Shareholder in connection with a contemplated public offering of the equity of the Company or any of its Subsidiaries that is approved in accordance with **Section 2.02(g)**, the Company shall enter into a registration rights agreement with the Initial Shareholders or the Dowling Shareholder containing customary provisions for a transaction of that type, including (a) in the case of an Initial Shareholder, demand registration rights and piggyback registration rights and (b) in the case of the Dowling Shareholder, including piggyback registration rights but excluding demand registration rights, in each case with ratable cutbacks, if necessary, regardless of the demanding party or piggyback party.

ARTICLE 5 INFORMATION RIGHTS

Section 5.01 Financial Statements and Reports. In addition to, and without limiting any rights that a Shareholder may have with respect to inspection of the books and records of the Company under Applicable Laws, the Company shall furnish to each Shareholder:

(b) The right set forth in **Section 5.02(a)** above shall not and is not intended to limit any rights which the Shareholders may have with respect to the books and records of the Company, or to inspect its properties or discuss its affairs, finances and accounts under the laws of the jurisdiction in which the Company is incorporated.

(c) In the event that the Trident Shareholder elects to exercise its rights under **Section 5.02(a)** it shall be entitled but not obliged to invite the Dowling Shareholder to participate with it for the purposes of such exercise of its rights.

**ARTICLE 6

The Exhibits referred to herein shall be construed with, and as an integral part of, this Agreement to the same extent as if they were set forth verbatim herein.

Section 8.05 Headings. The headings in this Agreement are for reference only and shall not affect the interpretation of this Agreement.

Section 8.06 Severability. If any term or provision of this Agreement is invalid, illegal or unenforceable in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. (f) Notwithstanding any other provision of this Agreement, each Shareholder agrees that it will not, directly or indirectly, Transfer any of its Common Shares (i) except as permitted under the Securities Act and other applicable federal, state or foreign securities laws, and then, if requested by the Company, only upon delivery to the Company of an opinion of counsel in form and substance satisfactory to the Company to the effect that such Transfer may be effected without registration under the Securities Act or any applicable foreign securities laws, (ii) if it would cause the Company or any of its Subsidiaries to be required to register as an investment company under the United States Investment Company Act of 1940, as amended, or any comparable foreign law, or (iii) if it would cause the assets of the Company or any of its Subsidiaries to be deemed plan

assets as defined under the United States Employee Retirement Income Security Act of 1974 or its accompanying regulations or any comparable foreign law or result in any “prohibited transaction” thereunder involving the Company. In any event, the Board may refuse the Transfer to any Person if (i) such Transfer would have a material adverse effect on the Company as a result of any regulatory or other restrictions imposed by any Governmental Authority or (ii) any non-de minimis adverse tax consequence to the Company, any Subsidiary of the Company, or any Shareholder or any of their Affiliates would result from such Transfer.

(g) Any Transfer or attempted Transfer of any Common Shares in violation of this Agreement shall be null and void, no such Transfer shall be recorded on the Company’s books and the purported transferee in any such Transfer shall not be treated (and the purported transferor shall continue be treated) as the owner of such Common Shares for all purposes of this Agreement.

Section 3.02 Right of First Offer.

(a) At any time that a Shareholder is permitted to Transfer Common Shares hereunder, and subject to the terms and conditions specified in this **Section 3.02**, each Initial Shareholder shall have a right of first offer if any other Shareholder (such Shareholder, an “**Offering Shareholder**”) proposes to Transfer any Common Shares (the “**Offered Shares**”) owned by it to any Third Party Purchaser. Each time the Offering Shareholder proposes to Transfer any Offered Shares (other than Transfers permitted pursuant to **Section 3.01** and Transfers made pursuant to **Section 3.03**), the Offering Shareholder shall first make an offering of the Offered Shares to the Initial Shareholders (other than itself, as applicable) in accordance with the following provisions of this **Section 3.02**.

(b) The Offering Shareholder shall give written notice (the “**Offering Shareholder Notice**”) to the Company and the Initial Shareholders (other than itself, as applicable) stating its bona fide intention to Transfer the Offered Shares and specifying the number of Offered Shares and the material terms and conditions, including the price, pursuant to which the Offering Shareholder proposes to Transfer the Offered Shares. The Offering Shareholder Notice shall constitute the Offering Shareholder’s offer to Transfer the Offered Shares to such Initial Shareholders, which offer shall be irrevocable for a period of 20 Business Days (the “**ROFO Notice Period**”).

(c) By delivering the Offering Shareholder Notice, the Offering Shareholder represents and warrants to the Company and to each Initial Shareholder receiving such notice that: (i) the Offering Shareholder has full right, title and interest in and to the Offered Shares; (ii) the Offering Shareholder has all the necessary power and authority and has taken all necessary action to Transfer such Offered Shares as contemplated by this **Section 3.02**; and (iii) the Offered Shares are free and clear of any and all Liens other than those arising as a result of or under the terms of this Agreement.

(d) Upon receipt of the Offering Shareholder Notice, each Initial Shareholder receiving such notice shall have until the end of the ROFO Notice Period to elect to purchase any amount of the Offered Shares by delivering a written notice (a “**ROFO Notice**”) to the Offering Shareholder and the Company stating that it agrees to purchase such specified amount of Offered Shares on the terms specified in the Offering Shareholder Notice. Any ROFO Notice shall be binding upon delivery and irrevocable by the applicable Shareholder. Each Initial Shareholder that delivers a ROFO Notice shall be a “**Purchasing Shareholder**.” If the Purchasing Shareholder is the Trident Shareholder, then at the same time as the Trident Shareholder delivers a ROFO Notice to the Company it shall also deliver a copy of such notice to the Dowling Shareholder whereupon the Dowling Shareholder shall be entitled upon written notice to the Offering Shareholder, the Company and the Trident Shareholder within ten (10) Business Days after the end of the ROFO Notice Period (the “**Extended ROFO Notice Period**”) to participate in such right of first offer under this **Section 3.02** as if it were an Initial Shareholder in accordance with and subject to the terms of this **Section 3.02** (and references to the Purchasing Shareholder and the Initial Shareholder for the purposes of this **Section 3.02** shall be construed accordingly). If the Initial Shareholders do not, in the aggregate, elect to purchase all of the Offered Shares by the end of the ROFO Notice Period or the Extended ROFO Notice Period (as the case may be), each Purchasing Shareholder shall then have the right to purchase all or any portion of the remaining Offered Shares not elected to be purchased by the Initial Shareholders. As promptly as practicable following the ROFO Notice Period or the Extended ROFO Notice Period (as the case may be), the Offering Shareholder shall deliver a written notice to each Purchasing Shareholder stating the number of remaining Offered Shares available for purchase. For a period of 10 Business Days following the receipt of such notice, each Purchasing Shareholder shall have the right to elect to purchase all or any portion of the remaining Offered Shares by delivering a subsequent ROFO Notice specifying the number of additional

Offered Shares it desires to purchase. Notwithstanding the foregoing, the Initial Shareholders may only exercise their rights under this **Section 3.02** to purchase the Offered Shares if, after giving effect to all elections made under this **Section 3.02(d)**, no less than all of the Offered Shares will be purchased by the Purchasing Shareholders. If the Purchasing Shareholders elect to purchase an amount of Shares that exceeds the amount of Offered Shares, then each Purchasing Shareholder's right to purchase the Offered Shares shall be limited to an amount equal to the lesser of (x) the aggregate number of Offered Shares the Purchasing Shareholder proposes to buy as stated in the ROFO Notice and (y) the product of the aggregate number of Offered Shares multiplied by a fraction (A) the numerator of which is equal to the number of Common Shares then held by the Purchasing Shareholder and (B) the denominator of which is equal to the number of shares then held by all of the Purchasing Shareholders; provided that if the application of the foregoing formula results in less than all the Offered Shares being allocated to the Purchasing Shareholders, the remaining Offered Shares shall be allocated among the Purchasing Shareholders who received less than the number of Offered Shares they proposed to buy as stated in their ROFO Notice by successive application of the foregoing formula to the aggregate number of unallocated Offered Shares *mutatis mutandis*, including adjusting clause (x) of the formula as necessary to reflect the number of Offered Shares previously allocated to each such Purchasing Shareholder and the removal from clause (y)(B) of the formula of any Common Shares held by any Purchasing Shareholder previously allocated all of the Offered Shares they proposed to buy as stated in their ROFO Notice.

(e) If an Initial Shareholder does not deliver a ROFO Notice during the ROFO Notice Period or the Dowling Shareholder does not deliver a ROFO Notice during the Extended ROFO Notice Period, then such Initial Shareholder or the Dowling Shareholder (as the case may be) shall be deemed to have waived all of such Shareholder's rights to purchase the Offered Shares under this **Section 3.02**. For the avoidance of doubt, if the Trident Shareholder does not deliver a ROFO Notice during the ROFO Notice Period, then the Dowling Shareholder shall not be entitled to participate in the right of first offer hereunder and shall not be deemed to be a Purchasing Shareholder or an Initial Shareholder for the purposes of this **Section 3.02**.

(f) If no Initial Shareholder delivers a ROFO Notice or if the Purchasing Shareholders elect to purchase less than all of the Offered Shares in accordance with **Section 3.02(d)**, the Offering Shareholder may, during the 180-day period immediately following the expiration of the ROFO Notice Period, which period may be extended for a reasonable time not to exceed 270 days to the extent reasonably necessary to obtain any Government Approvals (the "**Waived ROFO Transfer Period**"), and subject to the provisions of **Section 3.04**, Transfer all of the Offered Shares to a Third Party Purchaser on terms and conditions no more favorable to the Third Party Purchaser than those set forth in the Offering Shareholder Notice. If the Offering Shareholder does not consummate the Transfer of the Offered Shares within the Waived ROFO Transfer Period, the rights provided hereunder shall be deemed to be revived and the Offered Shares shall not be offered to any Person unless first re-offered to the Initial Shareholders (other than itself, as applicable) in accordance with this **Section 3.02**.

(g) Each Shareholder shall take all actions as may be reasonably necessary to consummate any Transfer contemplated by this **Section 3.02**, including entering into agreements and delivering certificates and instruments and consents as may be deemed necessary or appropriate.

(h) At the closing of any Transfer pursuant to this **Section 3.02**, the Offering Shareholder shall deliver to the Purchasing Shareholders the certificate or certificates representing the Offered Shares to be sold (if any), accompanied by stock powers and all necessary stock transfer taxes paid and stamps affixed, if necessary, against receipt of the purchase price therefor from such Purchasing Shareholders by certified or official bank check or by wire transfer of immediately available funds.

(i) Notwithstanding the foregoing provisions of this **Section 3.02**, the Atrium Nominee shall be permitted to Transfer Common Shares to the Company or the Company's designee in connection with any Leaver Sale without complying with the terms of this **Section 3.02**.

(j) The provisions of this **Section 3.02** shall not apply to a Transfer to the Company (or as the Company may direct) pursuant to a scheme approved by the Board for the return of income or capital to Shareholders.

Section 3.03 Enstar Drag-along Rights.

(a) If at any time following the Lock-up Period the Enstar Shareholder (together with its Permitted Transferees) holds no less than 55% of the aggregate number of outstanding Common Shares of the Company held by the Initial Shareholders at such time and receives a bona fide offer from a Third Party Purchaser to consummate, in one transaction, or a series of related transactions, a Change of Control (a “**Drag-along Sale**”), the Enstar Shareholder shall have the right to require that each other Shareholder (each, a “**Drag-along Shareholder**”) participate in such Transfer in the manner set forth in this **Section 3.03**, *provided, however*, that no Drag-along Shareholder shall be required to participate in the Drag-along Sale if the consideration for the Drag-along Sale is other than cash or registered securities listed on an established U.S. or foreign securities exchange. Notwithstanding anything to the contrary in this Agreement, each Drag-along Shareholder shall vote in favor of the transaction and take all actions to waive any dissenters, appraisal or other similar rights.

(b) The Enstar Shareholder shall exercise its rights pursuant to this **Section 3.03** by delivering a written notice (the “**Drag-along Notice**”) to the Company and each Drag-along Shareholder no later than 20 days prior to the closing date of such Drag-along Sale. The Drag-along Notice shall make reference to the Enstar Shareholder’s rights and obligations hereunder and shall describe in reasonable detail:

(i) the number of Common Shares to be sold by the Enstar Shareholder, if the Drag-along Sale is structured as a Transfer of Common Shares;

(ii) the identity of the Third Party Purchaser;

(iii) the proposed date, time and location of the closing of the Drag-along Sale;

(iv) the per share purchase price and the other material terms and conditions of the Transfer, including a description of any non-cash consideration in sufficient detail to permit the valuation thereof; and

(v) a copy of any form of agreement proposed to be executed in connection therewith.

(c) If the Drag-along Sale is structured as a Transfer of Common Shares, then, subject to **Section 3.03(d)**, each Drag-along Shareholder shall Transfer the number of shares equal to the product of (x) the number of Common Shares held by such Drag-along Shareholder and (y) a fraction (A) the numerator of which is equal to the number of Common Shares the Enstar Shareholder proposes to sell or transfer in the Drag-along Sale and (B) the denominator of which is equal to the number of Common Shares then held by the Enstar Shareholder.

(d) The consideration to be received by a Drag-along Shareholder shall be the same form and amount of consideration per share of Common Shares to be received by the Enstar Shareholder (or, if the Enstar Shareholder is given an option as to the form and amount of consideration to be received, the same option shall be given) and the terms and conditions of such Transfer shall, except as otherwise provided in the immediately succeeding sentence, be the same as those upon which the Enstar Shareholder Transfers its Common Shares. Each Drag-along Shareholder shall make or provide the same representations, warranties, covenants, indemnities and agreements as the Enstar Shareholder makes or provides in connection with the Drag-along Sale (except that in the case of representations, warranties, covenants, indemnities and agreements pertaining specifically to the Enstar Shareholder, the Drag-along Shareholder shall make the comparable representations, warranties, covenants, indemnities and agreements pertaining specifically to itself); *provided, that* all representations, warranties, covenants and indemnities shall be made by the Enstar Shareholder and each Drag-along Shareholder severally and not jointly and any indemnification obligation shall be pro rata based on the consideration received by the Enstar Shareholder and each Drag-along Shareholder, in each case in an amount not to exceed the aggregate proceeds received by the Enstar Shareholder and each such Drag-along Shareholder in connection with the Drag-along Sale.

(e) The fees and expenses of the Enstar Shareholder incurred in connection with a Drag-along Sale and for the benefit of all Shareholders (it being understood that costs incurred by or on behalf of a Enstar Shareholder for its sole benefit will not be considered to be for the benefit of all Shareholders), to the extent not paid or reimbursed by the Company or the Third Party Purchaser, shall be shared by all the Shareholders on a pro rata basis, based on the aggregate consideration received by each Shareholder; *provided, that* no Shareholder shall be obligated to make or reimburse any out-of-pocket expenditure prior to the consummation of the Drag-along Sale.

(f) Each Shareholder shall take all actions as may be reasonably necessary to consummate the Drag-along Sale, including entering into agreements and delivering certificates and instruments, in each case consistent with the agreements being entered into and the certificates being delivered by the Enstar Shareholder.

(g) The Enstar Shareholder shall have 180 days following the date of the Drag-along Notice in which to consummate the Drag-along Sale, on the terms set forth in the Drag-along Notice (which such 180-day period may be extended for a reasonable time not to exceed 270 days to the extent reasonably necessary to obtain any Government Approvals). If at the end of such period, the Enstar Shareholder has not completed the Drag-along Sale, the Enstar Shareholder may not then effect a transaction subject to this **Section 3.03** without again fully complying with the provisions of this **Section 3.03**.

Section 3.04 Tag-along Rights.

(a) If at any time that a Shareholder is permitted to Transfer Common Shares hereunder, a Shareholder (the “**Selling Shareholder**”) proposes to Transfer any shares of its Common Shares to a Third Party Purchaser (the “**Proposed Transferee**”) (and if the Selling Shareholder is the Enstar Shareholder and it cannot or has not elected to exercise its drag-along rights set forth in **Section 3.03**), each other Shareholder (other than the Atrium Nominee) (each, a “**Tag-along Shareholder**”) shall be permitted to participate in such Transfer (a “**Tag-along Sale**”) on the terms and conditions set forth in this **Section 3.04**.

(b) Prior to the consummation of any such Transfer of Common Shares described in **Section 3.04(a)**, and after satisfying its obligations pursuant to **Section 3.02**, the Selling Shareholder shall deliver to the Company and each other Shareholder a written notice (a “**Sale Notice**”) of the proposed Tag-along Sale subject to this **Section 3.04** no later than 20 Business Days prior to the closing date of the Tag-along Sale. The Sale Notice shall make reference to the Tag-along Shareholders’ rights hereunder and shall describe in reasonable detail:

(i) the aggregate number of Common Shares the Proposed Transferee has offered to purchase.

(ii) the identity of the Proposed Transferee;

(iii) the proposed date, time and location of the closing of the Tag-along Sale;

(iv) the per share purchase price and the other material terms and conditions of the Transfer, including a description of any non-cash consideration in sufficient detail to permit the valuation thereof; and

(v) a copy of any form of agreement proposed to be executed in connection therewith.

(c) Each Tag-along Shareholder shall exercise its right to participate in a Transfer of Common Shares by the Selling Shareholder subject to this **Section 3.04** by delivering to the Selling Shareholder and the Company a written notice (a “**Tag-along Notice**”) stating its election to do so and specifying the number of Common Shares to be Transferred by it no later than five Business Days after receipt of the Sale Notice (the “**Tag-along Period**”). If all of the Tag-along Shareholders deliver to the Selling Shareholder and the Company Tag-along Notices with respect to all of the Common Shares held by such Tag-along Shareholders, then the Company shall deliver a notice to the Atrium Nominee within three Business Days of the end of the Tag-along Period notifying the Atrium Nominee of that fact whereupon the Atrium Nominee shall be entitled to elect to participate in such Tag-along Sale under this **Section 3.04** alongside the other Shareholders in respect of all of the Common Shares held by it (but not part only thereof) by delivering to the Selling Shareholder and the Company a written notice (a “**Atrium Nominee Tag Notice**”) within fifteen (15) Business Days after the end of the Tag-along Period stating its election to do so (and in which case references hereafter to “Tag-along Shareholder(s)” shall be construed to include the Atrium Nominee accordingly). The offer of each Tag-along Shareholder set forth in a Tag-along Notice (or an Atrium Nominee Tag Notice, as applicable) shall be irrevocable, and, to the extent such offer is accepted, such Tag-along Shareholder shall be bound and obligated to Transfer in the proposed Transfer on the terms and conditions set forth in this **Section 3.04**. The Selling Shareholder and each Tag-along Shareholder shall have the right to Transfer in a Transfer subject to this **Section 3.04** the number of Common Shares equal to the product of (x) the aggregate number of Common Shares the Proposed Transferee proposes to buy as stated in the Sale Notice and (y) a fraction (A) the numerator of which is equal to the number of Common Shares then held by the Selling Shareholder or such Tag-along Shareholder, as the case may be, and (B) the denominator of which is equal to the number of shares then held by the Selling Shareholder and each Tag-along Shareholder.

(d) Each Tag-along Shareholder who does not deliver a Tag-along Notice (or a Atrium Nominee Tag Notice, as applicable) in compliance with **Section 3.04(c)** above shall be deemed to have waived all of such Tag-along Shareholder's rights to participate in such Transfer, and the Selling Shareholder shall (subject to the rights of any participating Tag-along Shareholder) thereafter be free to Transfer to the Proposed Transferee its Common Shares at a per share price that is no greater than the per share price set forth in the Sale Notice and on other terms and conditions which are not materially more favorable to the Selling Shareholder than those set forth in the Sale Notice without any further obligation to the non-accepting Tag-along Shareholders.

(e) Each Tag-along Shareholder participating in a Transfer pursuant to this **Section 3.04** shall receive the same consideration per share as the Selling Shareholder after deduction of such Tag-along Shareholder's proportionate share of the related expenses in accordance with **Section 3.04(g)** below.

(f) Each Tag-along Shareholder shall make or provide the same representations, warranties, covenants, indemnities and agreements as the Selling Shareholder makes or provides in connection with the Tag-along Sale (except that in the case of representations, warranties, covenants, indemnities and agreements pertaining specifically to the Selling Shareholder, the Tag-along Shareholder shall make the comparable representations, warranties, covenants, indemnities and agreements pertaining specifically to itself); *provided, that* all representations, warranties, covenants and indemnities shall be made by the Selling Shareholder and each Tag-along Shareholder severally and not jointly and any indemnification obligation in respect of breaches of representations and warranties shall be pro rata based on the consideration received by the Selling Shareholder and each Tag-along Shareholder, in each case in an amount not to exceed the aggregate proceeds received by the Selling Shareholder and each such Tag-along Shareholder in connection with any Tag-along Sale.

(g) The fees and expenses of the Selling Shareholder incurred in connection with a Tag-along Sale and for the benefit of all Shareholders (it being understood that costs incurred by or on behalf of the Selling Shareholder for its sole benefit will not be considered to be for the benefit of all Shareholders), to the extent not paid or reimbursed by the Company or the Proposed Transferee, shall be shared by all the Shareholders participating in the Tag-along Sale on a pro rata basis, based on the aggregate consideration received by each such Shareholder; *provided, that* no Shareholder shall be obligated to make or reimburse any out-of-pocket expenditure prior to the consummation of the Tag-along Sale.

(h) Each Tag-along Shareholder shall take all actions as may be reasonably necessary to consummate the Tag-along Sale, including entering into agreements and delivering certificates and instruments, in each case consistent with the agreements being entered into and the certificates being delivered by the Selling Shareholder.

(i) The Selling Shareholder shall have 180 days following the expiration of the Tag-along Period in which to Transfer the Common Shares described in the Sale Notice, on the terms set forth in the Sale Notice (which such 180-day period may be extended for a reasonable time not to exceed 270 days to the extent reasonably necessary to obtain any Government Approvals). If at the end of such period, the Selling Shareholder has not completed such Transfer, the Selling Shareholder may not then effect a Transfer of Common Shares subject to this **Section 3.04** without again fully complying with the provisions of this **Section 3.04**.

(j) If the Selling Shareholder Transfers to the Proposed Transferee any of its Common Shares in breach of this **Section 3.04**, then each Tag-along Shareholder shall have the right to Transfer to the Selling Shareholder, and the Selling Shareholder undertakes to purchase from each Tag-along Shareholder, the number of Common Shares that such Tag-along Shareholder would have had the right to Transfer to the Proposed Transferee pursuant to this **Section 3.04**, for a per share amount and form of consideration and upon the terms and conditions on which the Proposed Transferee bought such Common Shares from the Selling Shareholder, but without indemnity being granted by any Tag-along Shareholder to the Selling Shareholder; *provided, that*, nothing contained in this **Section 3.04** shall preclude any Shareholder from seeking alternative remedies against such Selling Shareholder as a result of its breach of this **Section 3.04**.

(k) Notwithstanding the foregoing provisions of this **Section 3.04**, the Atrium Nominee shall be permitted to Transfer Common Shares to the Company or the Company's designee in connection with any Leaver Sale without complying with the terms of this **Section 3.04**.

Section 3.05 Enstar Call Right and Trident Put Right.

(a) At any time during the period beginning on September 6, 2018, and ending on December 5, 2018, or at any time following September 6, 2020, the Enstar Shareholder shall have the right (a **“Call Right”**) by written notice to the other Shareholders to purchase all, but not less than all, of the Common Shares owned by the other Shareholders and their Permitted Transferees.

(b) At any time after September 6, 2020, the Trident Shareholders, acting collectively, shall have the right (the **“Put Right”**) to require the Enstar Shareholder to purchase all, but not less than all, of the Common Shares held by the Trident Shareholders and their Permitted Transferees collectively. In the event that the Trident Shareholders elect to exercise their rights under this **Section 3.05(b)**, then the Trident Shareholders shall give written notice (a **“Put Notice”**) to the Company, the Enstar Shareholder and the other Shareholders (other than the Atrium Nominee) stating their bona fide intention to exercise their Put Right over their Common Shares. Upon receipt of the Put Notice, each other Shareholder (other than the Enstar Shareholder, the Trident Shareholders or the Atrium Nominee) receiving such notice shall have 20 Business Days (the **“Put Notice Period”**) to elect to participate in such exercise of the Put Right by the Trident Shareholders by delivering a written notice (a **“Participation Notice”**) to the Company, the Enstar Shareholder and the Trident Shareholders requiring the Enstar Shareholder to purchase all, but not less than all, of the Common Shares held by such Shareholder and its Permitted Transferees. Any Participation Notice shall be binding upon delivery and irrevocable by the applicable Shareholder. Each Shareholder that does not deliver a Participation Notice during the Put Notice Period shall be deemed to have waived all of such Shareholder’s rights to participate in the exercise of the Put Right. By delivering a Participation Notice, the relevant Shareholder represents and warrants to the Company and to the Enstar Shareholder that: (i) it has full right, title and interest in and to the Common Shares which are the subject of the Participation Notice; (ii) it has all the necessary power and authority and has taken all necessary action to Transfer such Common Shares as contemplated by this **Section 3.05(b)**; and (iii) such Common Shares are free and clear of any and all Liens other than those arising as a result of or under the terms of this Agreement.

(c) The purchase price payable by the Enstar Shareholder upon the exercise of the Call Right or the Put Right, as the case may be, shall be equal to fair market value of the Common Shares held by the relevant Shareholder(s) and their Permitted Transferees which are the subject of the Call Right or the Put Right as exercised pursuant to this **Section 3.05** (the **“Relevant Shareholder(s)”**) calculated based on the overall fair market value of the Company determined on a going concern basis as between a willing buyer and willing seller with no discount for illiquidity or a minority interest, as such value may be mutually agreed upon by the Enstar Shareholder and the Trident Shareholder or, if no such agreement is reached, determined in accordance with the procedures set forth below (the **“Fair Market Value”**):

(i) Promptly after determining that the Enstar Shareholder and the Trident Shareholders are unable to agree upon a Fair Market Value but, in any event, no later than 30 Business Days after the exercise of the Call Right or the Put Right, as the case may be, the Enstar Shareholder and the Trident Shareholders shall appoint a mutually acceptable independent appraiser (the **“Independent Appraiser”**) to determine the Fair Market Value (determined on a going concern basis as between a willing buyer and a willing seller with no discount for illiquidity or a minority interest) of the Common Shares held by the Relevant Shareholder(s) and their Permitted Transferees. Each of the Enstar Shareholder and the Trident Shareholders (acting together) shall provide the Independent Appraiser with its respective determination of Fair Market Value, together with the supporting calculations and analyses prepared by such Initial Shareholder with respect thereto. The Enstar Shareholder and the Trident Shareholders shall instruct the Independent Appraiser to determine, in writing within 30 days of such Independent Appraiser’s appointment, which of the Enstar Shareholder’s and the Trident Shareholders’ determination of Fair Market Value is the more reasonable, and such determination shall be final for all purposes of this **Section 3.05**. The costs and expenses of the Independent Appraiser shall be borne equally by the Enstar Shareholder and the Trident Shareholders.

(ii) To enable the Independent Appraiser to conduct the valuation, the Enstar Shareholder, the Relevant Shareholder(s) and the Company shall furnish to the Independent Appraiser such information as the Independent Appraiser may request, including information regarding the business of the Company and its Subsidiaries and the Company’s assets, properties, financial condition, earnings and prospects.

(d) Within 90 days after the date of the final determination of the Fair Market Value pursuant to this **Section 3.05** (which period shall be extended solely to the extent needed to obtain any required Government Approvals, *provided, that* the Shareholders shall, and shall cause their Permitted Transferees to, have used their reasonable best efforts to obtain such approvals in a timely manner, and *provided, further, that* in no event shall the Enstar Shareholder be obligated to pay the purchase price for a sale and purchase pursuant to the Put Right in cash due to any failure to obtain any Government Approvals that are required to permit the Relevant Shareholders to acquire or hold any unrestricted ordinary shares of Enstar), the Relevant Shareholders shall, and shall cause their Permitted Transferees to, sell to the Enstar Shareholder, free and clear of any Liens, all of the Common Shares held by them.

(e) Each Shareholder shall take all actions as may be reasonably necessary to consummate the sale contemplated by this **Section 3.05**, including entering into agreements and delivering certificates and instruments and consents as may be deemed necessary or appropriate.

(f) At the closing of any sale and purchase pursuant to this **Section 3.05**, the Relevant Shareholders shall, and shall cause their Permitted Transferees to, deliver to the Enstar Shareholder the certificate or certificates representing their Common Shares (if any), accompanied by stock powers and all necessary stock transfer taxes paid and stamps affixed, if necessary, against receipt of the purchase price therefor from the Enstar Shareholder by, (i) in the case of a sale and purchase pursuant to the Call Right, wire transfer of immediately available funds, or (ii) in the case of a sale and purchase pursuant to the Put Right, at the option of the Enstar Shareholder, either (A) wire transfer of immediately available funds, (B) unrestricted ordinary shares of Enstar (provided that such ordinary shares are then listed or admitted to trading on the NASDAQ Stock Market, the New York Stock Exchange or another national securities exchange), or (C) a combination of (A) and (B). If the purchase price at the closing of any sale and purchase pursuant to this **Section 3.05** consists of unrestricted ordinary shares of Enstar, the value of such ordinary shares will be deemed to equal the average of the last reported sale price of the ordinary shares over the 10 trading day period ending on, and including, the trading day immediately preceding the effective date of any such closing.

(g) Enstar hereby absolutely, unconditionally and irrevocably guarantees to each of the Shareholders (other than the Enstar Shareholder or the Atrium Nominee) and their Permitted Transferees, on the terms and conditions set forth herein, the due and punctual payment, observance, performance and discharge of the Enstar Shareholder's obligations under this **Section 3.05**. Each of the Shareholders hereby agrees that in no event shall Enstar be required to pay any amount to the Shareholders or their Permitted Transferees under, in respect of, or in connection with this Agreement other than as expressly set forth herein.

ARTICLE IV

PRE-EMPTIVE RIGHTS AND OTHER AGREEMENTS

Section 4.01 Initial Shareholder and Dowling Shareholder Pre-emptive Right.

(a) The Company hereby grants to each Initial Shareholder and the Dowling Shareholder (each, a "**Pre-emptive Shareholder**") the right to purchase its pro rata portion of any new Common Shares (other than any Excluded Securities) (the "**New Securities**") that the Company may from time to time propose to issue or sell to any Person.

(b) The Company shall give written notice (an "**Issuance Notice**") of any proposed issuance described in subsection (a) above to the Pre-emptive Shareholders within five Business Days following any meeting of the Board at which any such issuance or sale is approved. The Issuance Notice shall set forth the material terms and conditions of the proposed issuance, including:

(i) the number of New Securities proposed to be issued and the percentage of the Company's outstanding Common Shares, on a fully diluted basis, that such issuance would represent;

(ii) the proposed issuance date, which shall be at least 20 Business Days from the date of the Issuance Notice; and

(iii) the proposed purchase price per share.

(c) Each Pre-emptive Shareholder shall for a period of 15 Business Days following the receipt of an Issuance Notice (the “**Exercise Period**”) have the right to elect irrevocably to purchase, at the purchase price set forth in the Issuance Notice, up to the amount of New Securities equal to the product of (x) the total number of New Securities to be issued by the Company on the issuance date and (y) a fraction determined by dividing (A) the number of Common Shares owned by such Pre-emptive Shareholder immediately prior to such issuance by (B) the total number of Common Shares owned by all Initial Shareholders on such date immediately prior to such issuance (the “**Pre-emptive Pro Rata Portion**”) by delivering a written notice to the Company. Such Pre-emptive Shareholder’s election to purchase New Securities shall be binding and irrevocable.

(d) No later than five Business Days following the expiration of the Exercise Period, the Company shall notify each Pre-emptive Shareholder in writing of the number of New Securities that each Pre-emptive Shareholder has agreed to purchase (including, for the avoidance of doubt, where such number is zero) (the “**Over-allotment Notice**”). Each Pre-emptive Shareholder exercising its right to purchase its Pre-emptive Pro Rata Portion of the New Securities in full (an “**Exercising Shareholder**”) shall have a right of over-allotment such that if any other Pre-emptive Shareholder fails to exercise its right under this **Section 4.01** to purchase its Pre-emptive Pro Rata Portion of the New Securities (each, a “**Non-Exercising Shareholder**”), such Exercising Shareholder may purchase all or any portion of such Non-Exercising Shareholder’s allotment (the “**Over-allotment New Securities**”) by giving written notice to the Company (within five Business Days of receipt of the Over-allotment Notice) setting forth the number of Over-allotment New Securities that such Exercising Shareholder is willing to purchase (the “**Over-allotment Exercise Period**”). Such Exercising Shareholder’s election to purchase Over-allotment New Securities shall be binding and irrevocable. If more than one Exercising Shareholder elects to exercise its right of over-allotment, each Exercising Shareholder shall have the right to purchase the number of Over-allotment New Securities it elected to purchase in its written notice; *provided, that* if the over-allotment New Securities are over-subscribed, each Exercising Shareholder shall purchase its pro rata portion of the available Over-allotment New Securities based upon the relative Pre-emptive Pro Rata Portions of the Exercising Shareholders.

(e) The Company shall be free to complete the proposed issuance or sale of New Securities described in the Issuance Notice with respect to any New Securities not elected to be purchased pursuant to **Section 4.01(c)** and **Section 4.01(d)** above in accordance with the terms and conditions set forth in the Issuance Notice (except that the amount of New Securities to be issued or sold by the Company may be reduced) so long as such issuance or sale is closed within 180 days after the expiration of the Over-allotment Exercise Period (subject to the extension of such 180-day period for a reasonable time not to exceed 270 days to the extent reasonably necessary to obtain any Government Approvals). In the event the Company has not sold such New Securities within such time period, the Company shall not thereafter issue or sell any New Securities without first again offering such securities to the Pre-emptive Shareholders in accordance with the procedures set forth in this **Section 4.01**.

(f) Upon the consummation of the issuance of any New Securities in accordance with this **Section 4.01**, the Company shall deliver to each Exercising Shareholder certificates (if any) evidencing the New Securities, which New Securities shall be issued free and clear of any Liens (other than those arising hereunder or under Applicable Law and those attributable to the actions of the purchasers thereof), and the Company shall so represent and warrant to the purchasers thereof, and further represent and warrant to such purchasers that such New Securities shall be, upon issuance thereof to the Exercising Shareholders and after payment therefor, duly authorized and validly issued. Each Exercising Shareholder shall deliver to the Company the purchase price for the New Securities purchased by it by wire transfer of immediately available funds. Each party to the purchase and sale of New Securities shall take all such other actions as may be reasonably necessary to consummate the purchase and sale including entering into such additional agreements as may be necessary or appropriate.

(b) The restrictions of **Section 4.03(a)** shall not apply to information that (i) is or becomes generally available to the public other than as a result of a disclosure by a Shareholder or any of its Representatives in violation of this Agreement; (ii) is or becomes available to a Shareholder or any of its Representatives on a non-confidential basis prior to its disclosure to the receiving Shareholder and any of its Representatives, (iii) is or has been independently developed or conceived by such Shareholder without use of the Company’s Information or (iv) becomes available to the receiving Shareholder or any of its Representatives on a non-confidential basis from a source other than the Company, any other Shareholder or any of their respective Representatives, *provided, that* such source is not known by the recipient of the information to be bound by a confidentiality agreement with the disclosing Shareholder or any of its Representatives. Furthermore, **Section 4.03(a)** shall not restrict the Enstar Shareholder and its Affiliates from disclosing any Information required to be disclosed under applicable securities laws or the rules of any stock exchange upon which their securities are traded.

Each time the Offering Shareholder proposes to Transfer any Offered Shares (other than Transfers permitted pursuant to Section 3.01 and Transfers made pursuant to Section 3.03), the Offering Shareholder shall first make an offering of the Offered Shares to North Bay in accordance with the following provisions of this Section 3.02.

(b) The Offering Shareholder shall give written notice (the “Offering Shareholder Notice”) to the Company and North Bay stating its bona fide intention to Transfer the Offered Shares and specifying the number of Offered Shares and the material terms and conditions, including the price, pursuant to which the Offering

Shareholder proposes to Transfer the Offered Shares. The Offering Shareholder Notice shall constitute the Offering Shareholder's offer to Transfer the Offered Shares to North Bay, which offer shall be irrevocable for a period of 20 Business Days (the "ROFO Notice Period").

(c) By delivering the Offering Shareholder Notice, the Offering Shareholder represents and warrants to the Company and North Bay that: (i) the Offering Shareholder has full right, title and interest in and to the Offered Shares; (ii) the Offering Shareholder has all the necessary power and authority and has taken all necessary action to Transfer such Offered Shares as contemplated by this Section 3.02; and (iii) the Offered Shares are free and clear of any and all Liens other than those arising as a result of or under the terms of this Agreement.

(d) Upon receipt of the Offering Shareholder Notice, North Bay shall have until the end of the ROFO Notice Period to elect to purchase all but not less than all of the Offered Shares by delivering a written notice (a "ROFO Notice") to the Offering Shareholder and the Company stating that it agrees to purchase such Offered Shares on the terms specified in the Offering Shareholder Notice. Any ROFO Notice shall be binding upon delivery and irrevocable by North Bay.

(e) If North Bay does not deliver a ROFO Notice during the ROFO Notice Period, then North Bay shall be deemed to have waived all of its rights to purchase the Offered Shares under this Section 3.02.

(f) If North Bay does not deliver a ROFO Notice, the Offering Shareholder may, during the 180-day period immediately following the expiration of the ROFO Notice Period, which period may be extended for a reasonable time not to exceed 270 days to the extent reasonably necessary to obtain any Government Approvals (the "Waived ROFO Transfer Period"), and subject to the provisions of Section 3.04, Transfer all of the Offered Shares to a Third Party Purchaser on terms and conditions no more favorable to the Third Party Purchaser than those set forth in the Offering Shareholder Notice. If the Offering Shareholder does not consummate the Transfer of the Offered Shares within the Waived ROFO Transfer Period, the rights provided hereunder shall be deemed to be revived and the Offered Shares shall not be offered to any Person unless first re-offered to North Bay in accordance with this Section 3.02.

(g) Each Shareholder shall take all actions as may be reasonably necessary to consummate any Transfer contemplated by this Section 3.02, including entering into agreements and delivering certificates and instruments and consents as may be deemed necessary or appropriate.

(h) At the closing of any Transfer pursuant to this Section 3.02, the Offering Shareholder shall deliver to North Bay the certificate or certificates representing the Offered Shares to be sold (if any), accompanied by stock powers and all necessary stock

transfer taxes paid and stamps affixed, if necessary, against receipt of the purchase price therefor from North Bay by certified or official bank check or by wire transfer of immediately available funds.

(i) Notwithstanding the foregoing provisions of this Section 3.02, the Atrium Nominee shall be permitted to Transfer Common Shares to the Company or the Company's designee in connection with any Leaver Sale without complying with the terms of this Section 3.02.

(j) The provisions of this Section 3.02 shall not apply to a Transfer to the Company (or as the Company may direct) pursuant to a scheme approved by the Board for the return of income or capital to Shareholders.

Section 3.03 Drag-along Rights.

(a) If, at any time following the Lock-up Period, North Bay (together with its Permitted Transferees) receives a bona fide offer from a Third Party Purchaser to consummate, in one transaction, or a series of related transactions, a Change of Control (a "Drag-along Sale"), North Bay shall have the right to require that each other Shareholder (each, a "Drag-along Shareholder") participate in such Transfer in the manner set forth in this Section 3.03; provided, however, that no Drag-along Shareholder shall be required to participate in the Drag-along Sale if the consideration for the Drag-along Sale is other than cash or registered securities listed on an established U.S. or foreign securities exchange. Notwithstanding anything to the contrary in this Agreement, each Drag-along Shareholder shall vote in favor of the transaction and take all actions to waive any dissenters, appraisal or other similar rights.

(b) North Bay shall exercise its rights pursuant to this Section 3.03 by delivering a written notice (the "Drag-along Notice") to the Company and each Drag-along Shareholder no later than 20 days prior to the closing date of such Drag-along Sale. The Drag-along Notice shall make reference to North Bay's rights and obligations hereunder and shall describe in reasonable detail:

(i) the number of Common Shares to be sold by North Bay, if the Drag-along Sale is structured as a Transfer of Common Shares;

(ii) the identity of the Third Party Purchaser;

(v) a copy of any form of agreement proposed to be executed in connection therewith.

(c) If the Drag-along Sale is structured as a Transfer of Common Shares, then, subject to Section 3.03(d), each Drag-along Shareholder shall Transfer the number of shares equal to the product of (x) the number of Common Shares held by such Drag-along Shareholder and (y) a fraction (A) the numerator of which is equal to the number of Common Shares North Bay proposes to sell or transfer in the Drag-along Sale and (B) the denominator of which is equal to the number of Common Shares then held by North Bay.

(d) The consideration to be received by a Drag-along Shareholder shall be the same form and amount of consideration per share of Common Shares to be received by North Bay (or, if North Bay is given an option as to the form and amount of consideration to be received, the same option shall be given) and the terms and conditions of such Transfer shall, except as otherwise provided in the immediately succeeding sentence, be the same as those upon which North Bay Transfers its Common Shares. Each Drag-along Shareholder shall make or provide the same representations, warranties, covenants, indemnities and agreements as North Bay makes or provides in connection with the Drag-along Sale (except that in the case of representations, warranties, covenants, indemnities and agreements pertaining specifically to North Bay, the Drag-along Shareholder shall make the comparable representations, warranties, covenants, indemnities and agreements pertaining specifically to itself); provided that all representations, warranties, covenants and indemnities shall be made by North Bay and each Drag-along Shareholder severally and not jointly and any indemnification obligation shall be pro rata based on the consideration received by North Bay and each Drag-along Shareholder, in each case in an amount not to exceed the aggregate proceeds received by North Bay and each such Drag-along Shareholder in connection with the Drag-along Sale.

(e) The fees and expenses of North Bay incurred in connection with a Drag-along Sale and for the benefit of all Shareholders (it being understood that costs incurred by or on behalf of North Bay for its sole benefit will not be considered to be for the benefit of all Shareholders), to the extent not paid or reimbursed by the Company or the Third Party Purchaser, shall be shared by all the Shareholders on a pro rata basis, based on the aggregate consideration received by each Shareholder; provided that no Shareholder shall be obligated to make or reimburse any out-of-pocket expenditure prior to the consummation of the Drag-along Sale.

(f) Each Shareholder shall take all actions as may be reasonably necessary to consummate the Drag-along Sale, including entering into agreements and delivering certificates and instruments, in each case consistent with the agreements being entered into and the certificates being delivered by North Bay.

(g) North Bay shall have 180 days following the date of the Drag-along Notice in which to consummate the Drag-along Sale, on the terms set forth in the Drag-along

Notice (which such 180-day period may be extended for a reasonable time not to exceed 270 days to the extent reasonably necessary to obtain any Government Approvals). If at the end of such period, North Bay has not completed the Drag-along Sale, North Bay may not then effect a transaction subject to this Section 3.03 without again fully complying with the provisions of this Section 3.03.

Section 3.04 Tag-along Rights.

(a) If at any time that a Shareholder is permitted to Transfer Common Shares hereunder, a Shareholder (the "Selling Shareholder") proposes to Transfer any shares of its Common Shares to a Third Party Purchaser (the "Proposed Transferee") (and if the Selling Shareholder is North Bay and it cannot or has not elected to exercise its drag-along rights set forth in Section 3.03), each other Shareholder (other than the Atrium Nominee) (each, a "Tag-along Shareholder") shall be permitted to participate in such Transfer (a "Tag-along Sale") on the terms and conditions set forth in this Section 3.04.

(b) Prior to the consummation of any such Transfer of Common Shares described in Section 3.04(a), and after satisfying its obligations (if any) pursuant to Section 3.02, the Selling Shareholder shall deliver to the Company and each other Shareholder a written notice (a "Sale Notice") of the proposed Tag-along Sale subject to this Section 3.04 no later than 20 Business Days prior to the closing date of the Tag-along Sale. The Sale Notice shall make reference to the Tag-along Shareholders' rights hereunder and shall describe in reasonable detail:

(i) the aggregate number of Common Shares the Proposed Transferee has offered to purchase.

(ii) the identity of the Proposed Transferee;

(iii) the proposed date, time and location of the closing of the Tag-along Sale;

(iv) the per share purchase price and the other material terms and conditions of the Transfer, including a description of any non-cash consideration in sufficient detail to permit the valuation thereof; and

(v) a copy of any form of agreement proposed to be executed in connection therewith.

(c) Each Tag-along Shareholder shall exercise its right to participate in a Transfer of Common Shares by the Selling Shareholder subject to this Section 3.04 by delivering to the Selling Shareholder and the Company a written notice (a "Tag-along Notice") stating its election to do so and specifying the number of Common Shares to be Transferred by it no later than five Business Days after receipt of the Sale Notice (the "Tag-along Period"). If there are no Tag-along Shareholders or if all of the Tag-along

Shareholders deliver to the Selling Shareholder and the Company Tag-along Notices with respect to all of the Common Shares held by such Tag-along Shareholders, then the Company shall deliver a notice to the Atrium Nominee within three Business Days of the end of the Tag-along Period notifying the Atrium Nominee of that fact whereupon the Atrium Nominee shall be entitled to elect to participate in such Tag-along Sale under this Section 3.04 alongside the other Shareholders in respect of all of the Common Shares held by it (but not part only thereof) by delivering to the Selling Shareholder and the Company a written notice (a "Atrium Nominee Tag Notice") within fifteen (15) Business Days after the end of the Tag-along Period stating its election to do so (and in which case references hereafter to "Tag-along Shareholder(s)" shall be construed to include the Atrium Nominee accordingly). The offer of each Tag-along Shareholder set forth in a Tag-along Notice (or an Atrium Nominee Tag Notice, as applicable) shall be irrevocable, and, to the extent such offer is accepted, such Tag-along Shareholder shall be bound and obligated to Transfer in the proposed Transfer on the terms and conditions set forth in this Section 3.04. The Selling Shareholder and each Tag-along Shareholder shall have the right to Transfer in a Transfer subject to this Section 3.04 the number of Common Shares equal to the product of (x) the aggregate number of Common Shares the Proposed Transferee proposes to buy as stated in the Sale Notice and (y) a fraction (A) the numerator of which is equal to the number of Common Shares then held by the Selling Shareholder or such Tag-along Shareholder, as the case may be, and (B) the denominator of which is equal to the number of shares then held by the Selling Shareholder and each Tag-along Shareholder.

(d) Each Tag-along Shareholder who does not deliver a Tag-along Notice (or an Atrium Nominee Tag Notice, as applicable) in compliance with Section 3.04(c) above shall be deemed to have waived all of such Tag-along Shareholder's rights to participate in such Transfer, and the Selling Shareholder shall (subject to the rights of any participating Tag-along Shareholder) thereafter be free to Transfer to the Proposed Transferee its Common Shares at a per share price that is no greater than the per share price set forth in the Sale Notice and on other terms and conditions which are not materially more favorable to the Selling Shareholder than those set forth in the Sale Notice without any further obligation to the non-accepting Tag-along Shareholders.

(e) Each Tag-along Shareholder participating in a Transfer pursuant to this Section 3.04 shall receive the same consideration per share as the Selling Shareholder after deduction of such Tag-along Shareholder's proportionate share of the related expenses in accordance with Section 3.04(g) below.

(f) Each Tag-along Shareholder shall make or provide the same representations, warranties, covenants, indemnities and agreements as the Selling Shareholder makes or provides in connection with the Tag-along Sale (except that in the case of representations, warranties, covenants, indemnities and agreements pertaining specifically to the Selling Shareholder, the Tag-along Shareholder shall make the

comparable representations, warranties, covenants, indemnities and agreements pertaining specifically to itself); provided that all representations, warranties, covenants and indemnities shall be made by the Selling Shareholder and each Tag-along Shareholder severally and not jointly and any indemnification obligation in respect of breaches of representations and warranties shall be pro rata based on the consideration received by the Selling Shareholder and each Tag-along Shareholder, in each case in an amount not to exceed the aggregate proceeds received by the Selling Shareholder and each such Tag-along Shareholder in connection with any Tag-along Sale.

(g) The fees and expenses of the Selling Shareholder incurred in connection with a Tag-along Sale and for the benefit of all Shareholders (it being understood that costs incurred by or on behalf of the Selling Shareholder for its sole benefit will not be considered to be for the benefit of all Shareholders), to the extent not paid or reimbursed by the Company or the Proposed Transferee, shall be shared by all the Shareholders participating in the Tag-along Sale on a pro rata basis, based on the aggregate consideration received by each such Shareholder; provided that no Shareholder shall be obligated to make or reimburse any out-of-pocket expenditure prior to the consummation of the Tag-along Sale.

(h) Each Tag-along Shareholder shall take all actions as may be reasonably necessary to consummate the Tag-along Sale, including entering into agreements and delivering certificates and instruments, in each case consistent with the agreements being entered into and the certificates being delivered by the Selling Shareholder.

(i) The Selling Shareholder shall have 180 days following the expiration of the Tag-along Period in which to Transfer the Common Shares described in the Sale Notice, on the terms set forth in the Sale Notice (which such 180-day period may be extended for a reasonable time not to exceed 270 days to the extent reasonably necessary to obtain any Government Approvals). If at the end of such period, the Selling Shareholder has not completed such Transfer, the Selling Shareholder may not then effect a Transfer of Common Shares subject to this Section 3.04 without again fully complying with the provisions of this Section 3.04.

(j) If the Selling Shareholder Transfers to the Proposed Transferee any of its Common Shares in breach of this Section 3.04, then each Tag-along Shareholder shall have the right to Transfer to the Selling Shareholder, and the Selling Shareholder undertakes to purchase from each Tag-along Shareholder, the number of Common Shares that such Tag-along Shareholder would have had the right to Transfer to the Proposed Transferee pursuant to this Section 3.04, for a per share amount and form of consideration and upon the terms and conditions on which the Proposed Transferee bought such Common Shares from the Selling Shareholder, but without indemnity being granted by any Tag-along Shareholder to the Selling Shareholder; provided that nothing contained in this Section 3.04 shall preclude any Shareholder from seeking alternative remedies against such Selling Shareholder as a result of its breach of this Section 3.04.

(k) Notwithstanding the foregoing provisions of this Section 3.04, the Atrium Nominee shall be permitted to Transfer Common Shares to the Company or the Company's designee in connection with any Leaver Sale without complying with the terms of this Section 3.04.

Section 3.05 Call Right.

(a) At any time during the period beginning on September 6, 2018, and ending on December 5, 2018, or at any time following September 6, 2020, North Bay shall have the right (a "Call Right") by written notice to the other Shareholders to purchase all, but not less than all, of the Common Shares owned by the other Shareholders and their Permitted Transferees.

(b) The purchase price payable by North Bay upon the exercise of the Call Right shall be equal to fair market value of the Common Shares held by the relevant Shareholder(s) and their Permitted Transferees which are the subject of the Call Right as exercised pursuant to this Section 3.05 (the "Relevant Shareholder(s)") calculated based on the overall fair market value of the Company determined on a going concern basis as between a willing buyer and willing seller with no discount for illiquidity or a minority interest, as determined in good faith by North Bay (the "Fair Market Value"); provided that any other Shareholder (including the Atrium Nominee) may request that the Company obtain a third party appraisal, and the fair market value determined by such appraiser (determined on a going concern basis as between a willing buyer and a willing seller with no discount for illiquidity or a minority interest) shall be the relevant Fair Market Value; provided, however, if the fair market value determination of such appraiser is equal to or less than 110% of North Bay's determination, all fees and expenses of such third party appraiser shall be borne by the requesting Shareholder.

(c) Within 90 days after the date of the final determination of the Fair Market Value pursuant to this Section 3.05 (which period shall be extended solely to the extent needed to obtain any required Government Approvals, provided, that the Shareholders shall, and shall cause their Permitted Transferees to, have used their reasonable best efforts to obtain such approvals in a timely manner, the Relevant Shareholders shall, and shall cause their Permitted Transferees to, sell to North Bay, free and clear of any Liens, all of the Common Shares held by them.

(d) Each Shareholder shall take all actions as may be reasonably necessary to consummate the sale contemplated by this Section 3.05, including entering into agreements and delivering certificates and instruments and consents as may be deemed necessary or appropriate.

(e) At the closing of any sale and purchase pursuant to this Section 3.05, the Relevant Shareholders shall, and shall cause their Permitted Transferees to, deliver to North Bay the certificate or certificates representing their Common Shares (if any),

accompanied by stock powers and all necessary stock transfer taxes paid and stamps affixed, if necessary, against receipt of the purchase price therefor from North Bay by wire transfer of immediately available funds.

ARTICLE 4
PRE-EMPTIVE RIGHTS AND OTHER AGREEMENTS

Section 4.01 North Bay Pre-emptive Right.

(a) The Company hereby grants to North Bay the right to purchase its pro rata portion of any new Common Shares (other than any Excluded Securities) (the "New Securities") that the Company may from time to time propose to issue or sell to any Person.

(b) The Company shall give written notice (an "Issuance Notice") of any proposed issuance described in subsection (a) above to North Bay within five Business Days following any meeting of the Board at which any such issuance or sale is approved. The Issuance Notice shall set forth the material terms and conditions of the proposed issuance, including:

(i) the number of New Securities proposed to be issued and the percentage of the Company's outstanding Common Shares, on a fully diluted basis, that such issuance would represent;

(ii) the proposed issuance date, which shall be at least 20 Business Days from the date of the Issuance Notice; and

(iii) the proposed purchase price per share.

(c) North Bay shall for a period of 15 Business Days following the receipt of an Issuance Notice (the "Exercise Period") have the right to elect irrevocably to purchase, at the purchase price set forth in the Issuance Notice, any or all of the New Securities by delivering a written notice to the Company. Such election to purchase New Securities shall be binding and irrevocable.

(d) The Company shall be free to complete the proposed issuance or sale of New Securities described in the Issuance Notice with respect to any New Securities not elected to be purchased pursuant to Section 4.01(c) above in accordance with the terms and conditions set forth in the Issuance Notice (except that the amount of New Securities to be issued or sold by the Company may be reduced) so long as such issuance or sale is closed within 180 days after the expiration of the Exercise Period (subject to the extension of such 180-day period for a reasonable time not to exceed 270 days to the extent reasonably necessary to obtain any Government Approvals). In the event the Company has not sold such New Securities within such time period, the Company shall not thereafter issue or sell any New Securities without first again offering such securities to North Bay in accordance with the procedures set forth in this Section 4.01.

(e) Upon the consummation of the issuance of any New Securities in accordance with this Section 4.01, the Company shall deliver to North Bay certificates (if any) evidencing the New Securities, which New Securities shall be issued free and clear of any Liens (other than those arising hereunder or under Applicable Law and those attributable to the actions of the purchasers thereof), and the Company shall so represent and warrant to the purchaser thereof, and further represent and warrant to such purchaser that such New Securities shall be, upon issuance thereof to North Bay and after payment therefor, duly authorized and validly issued. North Bay shall deliver to the Company the purchase price for the New Securities purchased by it (if any) by wire transfer of immediately available funds. Each party to the purchase and sale of New Securities shall take all such other actions as may be reasonably necessary to consummate the purchase and sale including entering into such additional agreements as may be necessary or appropriate.

Section 4.02 Corporate Opportunities. Notwithstanding anything contained in this Agreement or under Applicable Law to the contrary (to the full extent permitted by Applicable Law), (i) North Bay and its Affiliates (A) may engage in or possess an interest in other business ventures of any nature and description (whether similar or dissimilar to the business of the Company or any of its Subsidiaries), independently or with others, and none of the Company, any Subsidiary, any other Shareholder, and each of their respective Affiliates shall have any right by virtue of this Agreement in or to any such investment or interest of North Bay, any Director and any of its or their respective Affiliates to any income or profits derived therefrom, and the pursuit of any such venture shall not be deemed wrongful or improper, and (B) shall not be obligated to present any investment opportunity to the Company or any Subsidiary even if such opportunity is of a character that, if presented to the Company or any Subsidiary, could be taken by the Company or such Subsidiary, and (ii) the parties hereby waive (and the Company shall cause the Subsidiaries to waive) to the fullest extent permitted by law any fiduciary or other duty of North Bay and the Directors not expressly set forth in this Agreement, including fiduciary or other duties that may be related to or associated with self-dealing, corporate opportunities or otherwise, in each case so long as such Person acts in a manner consistent with this Agreement.

Section 4.03 Confidentiality.

(a) Each Shareholder shall, and shall cause its Representatives to, keep confidential and not divulge any information (including all budgets, business plans and analyses) concerning the Company and its Subsidiaries, including its assets, business, operations, financial condition or prospects ("Information"), and to use, and cause its Representatives to use, such Information only in connection with the operation of the Company and its Subsidiaries; provided that nothing herein shall prevent any Shareholder

from disclosing such Information (i) upon the order of any court or administrative agency, (ii) upon the request or demand of any regulatory agency or authority having jurisdiction over such Shareholder, (iii) to the extent compelled by legal process or required or requested pursuant to subpoena, interrogatories or other discovery requests, (iv) to the extent necessary in connection with the exercise of any remedy hereunder, (v) to other Shareholders, (vi) to such Shareholder's Representatives that in the reasonable judgment of such Shareholder need to know such Information or (vii) to any potential Permitted Transferee in connection with a proposed Transfer of Common Shares from such Shareholder as long as such transferee agrees to be bound by the provisions of this Section 4.03 as if a Shareholder; provided, further, that in the case of clause (i), (ii) or (iii), such Shareholder shall notify the other Shareholders of the proposed disclosure as far in advance of such disclosure as practicable and use reasonable efforts to ensure that any Information so disclosed is accorded confidential treatment, when and if available.

(b) The restrictions of Section 4.03(a) shall not apply to information that (i) is or becomes generally available to the public other than as a result of a disclosure by a Shareholder or any of its Representatives in violation of this Agreement; (ii) is or becomes available to a Shareholder or any of its Representatives on a non-confidential basis prior to its disclosure to the receiving Shareholder and any of its Representatives, (iii) is or has been independently developed or conceived by such Shareholder without use of the Company's or any of its Subsidiaries' Information or (iv) becomes available to the receiving Shareholder or any of its Representatives on a non-confidential basis from a source other than the Company or any of its Subsidiaries, any other Shareholder or any of their respective Representatives; provided that such source is not known by the recipient of the information to be bound by a confidentiality agreement with the disclosing Shareholder or any of its Representatives. Furthermore, Section 4.03(a) shall not restrict the Enstar Shareholder and its Affiliates from disclosing any Information required to be disclosed under applicable securities laws or the rules of any stock exchange upon which their securities are traded.

ARTICLE 5 CESSATION OF EMPLOYMENT

Section 5.01 Leavers. If a Beneficial Owner leaves employment with the Atrium Group and/or otherwise ceases to be an employee or officer of or consultant to a member of the Atrium Group for whatever reason, such Beneficial Owner will become a "Leaver" in relation to any Common Shares (or other shares of the Company which are issued pursuant to a scheme approved by the Board for the return of income or capital to shareholders) held by the Atrium Nominee (as Nominee) on behalf of such Beneficial Owner. If the Company elects to exercise its rights under the Leaver Sale Provisions (a "Leaver Sale"), then the Atrium Nominee shall be permitted hereunder to Transfer any Common Shares held by the Atrium Nominee on behalf of such Leaver in accordance with the terms of the Leaver Sale Provisions.

The execution, delivery and performance of this Agreement and the consummation of the transactions contemplated hereby, require no action by or in respect of, or filing with, any Governmental Authority.

(d) The execution, delivery and performance by such Shareholder of this Agreement and the consummation of the transactions contemplated hereby do not (i) conflict with or result in any violation or breach of any provision of any of the organizational documents of such Shareholder (if an entity), (ii) conflict with or result in any violation or breach of any provision of any Applicable Law or (iii) require any consent or other action by any Person under any provision of any material agreement or other instrument to which the Shareholder is a party.

(e) Except for this Agreement, the Contribution and Exchange Agreement, the Plans (including the ancillary documentation relating to the acquisition of Common Shares pursuant to the Plans) and the Nominee Agreements, such Shareholder has not entered into or agreed to be bound by any other agreements or arrangements of any kind with any other Person with respect to the Common Shares, including agreements or arrangements with respect to the acquisition or disposition of the Common Shares or any interest therein or the voting of the Common Shares (whether or not such agreements and arrangements are with the Company or any other Person).

The

definitions given for any defined terms in this Agreement shall apply equally to both the singular and plural forms of the terms defined. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. Unless the context otherwise requires, references herein: (x) to Articles, Sections, and Exhibits mean the Articles and Sections of, and Exhibits attached to, this Agreement; (y) to an agreement, instrument or other document means such agreement, instrument or other document as amended, supplemented and modified from time to time to the extent permitted by the provisions thereof and (z) to a statute means such statute as amended from time to time and includes any successor legislation thereto and any regulations promulgated thereunder. This Agreement shall be construed without regard to any presumption or rule requiring construction or interpretation against the party drafting an instrument or causing any instrument to be drafted. The Exhibits referred to herein shall be construed with, and as an integral part of, this Agreement to the same extent as if they were set forth verbatim herein.

Section 8.05 Headings. The headings in this Agreement are for reference only and shall not affect the interpretation of this Agreement.

Section 8.06 Severability. If any term or provision of this Agreement is invalid, illegal or unenforceable in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon such determination that any term or other provision is invalid, illegal or unenforceable, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

Section 8.07 Entire Agreement. This Agreement, the Organizational Documents, the Plans, the Nominee Agreements and the North Bay Shareholders' Agreement constitute the sole and entire agreement of the parties with respect to the subject matter contained herein and therein, and supersede all prior and contemporaneous understandings and agreements, both written and oral, with respect to such subject matter. In the event of any inconsistency or conflict between this Agreement and any Organizational Document, the Shareholders and the Company shall, to the extent permitted by Applicable Law, amend such Organizational Document to comply with the terms of this Agreement. In the event of any inconsistency or conflict between this Agreement and the North Bay Shareholders' Agreement, the Shareholders and the Company shall, to the extent permitted by Applicable Law, amend this Agreement to comply with the terms of the North Bay Shareholders' Agreement. In furtherance of the previous sentence, and without limiting the generality thereof, the parties agree inconsistencies or conflicts between this Agreement and the North Bay Shareholders' Agreement shall not be limited to those that may exist as of the Effective Date, but that

any inconsistency or conflict between this Agreement and the North Bay Shareholders' Agreement (or any agreement of the parties to the North Bay Shareholders' Agreement made in accordance with the terms thereof, if such agreement has not been reduced to writing in an amendment to the North Bay Shareholders' Agreement) arising after the Effective Date due to any act of or decision by (or any failure to act or make a decision) the parties to the North Bay Shareholders' Agreement undertaken or made in order to preserve and abide by the Existing Rights and Obligations shall also constitute such an inconsistency or conflict.

Section 8.09 No Third-Party Beneficiaries. This Agreement is for the sole benefit of the parties hereto and their permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person or entity any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

Section 8.10 Amendment and Modification; Waiver. This Agreement may only be amended, modified or supplemented by an agreement in writing signed by the Company and North Bay; provided that any amendment that would materially and adversely affect the rights or duties of a Shareholder shall require the consent of such Shareholder. No waiver by any party of any of the provisions hereof shall be effective unless explicitly set forth in writing and signed by the party so waiving. No waiver by any party shall operate or be construed as a waiver in respect of any failure, breach or default not expressly identified by such written waiver, whether of a similar or different character, and whether occurring before or after that waiver. No failure to exercise, or delay in exercising, any right, remedy, power or privilege arising from this Agreement shall operate or be construed as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege.

OF THE UNITED STATES OF AMERICA OR THE COURTS OF THE STATE OF NEW YORK IN EACH CASE LOCATED IN THE CITY OF NEW YORK AND COUNTY OF NEW YORK, AND EACH PARTY IRREVOCABLY SUBMITS TO THE EXCLUSIVE JURISDICTION OF SUCH COURTS IN ANY SUCH SUIT, ACTION OR PROCEEDING. Section 8.13 Equitable Remedies. Each party hereto acknowledges that the other parties hereto would be irreparably damaged in the event of a breach or threatened breach by such party of any of its obligations under this Agreement and hereby agrees that in the event of a breach or a threatened breach by such party of any such obligations, each of the other parties hereto shall, in addition to any and all other rights and remedies that may be available to them in respect of such breach, be entitled to an injunction from a court of competent jurisdiction (without any requirement to post bond) granting such parties specific performance by such party of its obligations under this Agreement.

Section 8.14 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to

In any event, the Board may refuse the Transfer to any Person if (i) such Transfer would have a material adverse effect on the Company as a result of any regulatory or other restrictions imposed by any Governmental Authority or (ii) any non-de minimis adverse tax consequence to the Company, any Subsidiary of the Company, or any Shareholder or any of their Affiliates would result from such Transfer.

(a) At any time that a Shareholder other than North Bay is permitted to Transfer Common Shares hereunder, and subject to the terms and conditions specified in this Section 3.02, North Bay shall have a right of first offer if any other Shareholder other than North Bay (such Shareholder, an “Offering Shareholder”) proposes to Transfer any Common Shares (the “Offered Shares”) owned by it to any Third Party Purchaser. Each time the Offering Shareholder proposes to Transfer any Offered Shares (other than Transfers permitted pursuant to Section 3.01 and Transfers made pursuant to Section 3.03), the Offering Shareholder shall first make an offering of the Offered Shares to North Bay in accordance with the following provisions of this Section 3.02.

(b) The Offering Shareholder shall give written notice (the “Offering Shareholder Notice”) to the Company and North Bay stating its bona fide intention to Transfer the Offered Shares and specifying the number of Offered Shares and the material terms and conditions, including the price, pursuant to which the Offering

Shareholder proposes to Transfer the Offered Shares. The Offering Shareholder Notice shall constitute the Offering Shareholder's offer to Transfer the Offered Shares to North Bay, which offer shall be irrevocable for a period of 20 Business Days (the "ROFO Notice Period").

(c) By delivering the Offering Shareholder Notice, the Offering Shareholder represents and warrants to the Company and North Bay that: (i) the Offering Shareholder has full right, title and interest in and to the Offered Shares; (ii) the Offering Shareholder has all the necessary power and authority and has taken all necessary action to Transfer such Offered Shares as contemplated by this Section 3.02; and (iii) the Offered Shares are free and clear of any and all Liens other than those arising as a result of or under the terms of this Agreement.

(d) Upon receipt of the Offering Shareholder Notice, North Bay shall have until the end of the ROFO Notice Period to elect to purchase all but not less than all of the Offered Shares by delivering a written notice (a "ROFO Notice") to the Offering Shareholder and the Company stating that it agrees to purchase such Offered Shares on the terms specified in the Offering Shareholder Notice. Any ROFO Notice shall be binding upon delivery and irrevocable by North Bay.

(e) If North Bay does not deliver a ROFO Notice during the ROFO Notice Period, then North Bay shall be deemed to have waived all of its rights to purchase the Offered Shares under this Section 3.02.

(f) If North Bay does not deliver a ROFO Notice, the Offering Shareholder may, during the 180-day period immediately following the expiration of the ROFO Notice Period, which period may be extended for a reasonable time not to exceed 270 days to the extent reasonably necessary to obtain any Government Approvals (the "Waived ROFO Transfer Period"), and subject to the provisions of Section 3.04, Transfer all of the Offered Shares to a Third Party Purchaser on terms and conditions no more favorable to the Third Party Purchaser than those set forth in the Offering Shareholder Notice. If the Offering Shareholder does not consummate the Transfer of the Offered Shares within the Waived ROFO Transfer Period, the rights provided hereunder shall be deemed to be revived and the Offered Shares shall not be offered to any Person unless first re-offered to North Bay in accordance with this Section 3.02.

(g) Each Shareholder shall take all actions as may be reasonably necessary to consummate any Transfer contemplated by this Section 3.02, including entering into agreements and delivering certificates and instruments and consents as may be deemed necessary or appropriate.

(h) At the closing of any Transfer pursuant to this Section 3.02, the Offering Shareholder shall deliver to North Bay the certificate or certificates representing the Offered Shares to be sold (if any), accompanied by stock powers and all necessary stock

transfer taxes paid and stamps affixed, if necessary, against receipt of the purchase price therefor from North Bay by certified or official bank check or by wire transfer of immediately available funds.

(i) Notwithstanding the foregoing provisions of this Section 3.02, the Atrium Nominee shall be permitted to Transfer Common Shares to the Company or the Company's designee in connection with any Leaver Sale without complying with the terms of this Section 3.02.

(j) The provisions of this Section 3.02 shall not apply to a Transfer to the Company (or as the Company may direct) pursuant to a scheme approved by the Board for the return of income or capital to Shareholders.

Section 3.03 Drag-along Rights.

(a) If, at any time following the Lock-up Period, North Bay (together with its Permitted Transferees) receives a bona fide offer from a Third Party Purchaser to consummate, in one transaction, or a series of related transactions, a Change of Control (a "Drag-along Sale"), North Bay shall have the right to require that each other Shareholder (each, a "Drag-along Shareholder") participate in such Transfer in the manner set forth in this Section 3.03; provided, however, that no Drag-along Shareholder shall be required to participate in the Drag-along Sale if the consideration for the Drag-along Sale is other than cash or registered securities listed on an established U.S. or foreign securities exchange. Notwithstanding anything to the contrary in this Agreement, each Drag-along Shareholder shall vote in favor of the transaction and take all actions to waive any dissenters, appraisal or other similar rights.

(b) North Bay shall exercise its rights pursuant to this Section 3.03 by delivering a written notice (the "Drag-along Notice") to the Company and each Drag-along Shareholder no later than 20 days prior to the closing date of such Drag-along Sale. The Drag-along Notice shall make reference to North Bay's rights and obligations hereunder and shall describe in reasonable detail:

(i) the number of Common Shares to be sold by North Bay, if the Drag-along Sale is structured as a Transfer of Common Shares;

(ii) the identity of the Third Party Purchaser;

(v) a copy of any form of agreement proposed to be executed in connection therewith.

(c) If the Drag-along Sale is structured as a Transfer of Common Shares, then, subject to Section 3.03(d), each Drag-along Shareholder shall Transfer the number of shares equal to the product of (x) the number of Common Shares held by such Drag-along Shareholder and (y) a fraction (A) the numerator of which is equal to the number of Common Shares North Bay proposes to sell or transfer in the Drag-along Sale and (B) the denominator of which is equal to the number of Common Shares then held by North Bay.

(d) The consideration to be received by a Drag-along Shareholder shall be the same form and amount of consideration per share of Common Shares to be received by North Bay (or, if North Bay is given an option as to the form and amount of consideration to be received, the same option shall be given) and the terms and conditions of such Transfer shall, except as otherwise provided in the immediately succeeding sentence, be the same as those upon which North Bay Transfers its Common Shares. Each Drag-along Shareholder shall make or provide the same representations, warranties, covenants, indemnities and agreements as North Bay makes or provides in connection with the Drag-along Sale (except that in the case of representations, warranties, covenants, indemnities and agreements pertaining specifically to North Bay, the Drag-along Shareholder shall make the comparable representations, warranties, covenants, indemnities and agreements pertaining specifically to itself); provided that all representations, warranties, covenants and indemnities shall be made by North Bay and each Drag-along Shareholder severally and not jointly and any indemnification obligation shall be pro rata based on the consideration received by North Bay and each Drag-along Shareholder, in each case in an amount not to exceed the aggregate proceeds received by North Bay and each such Drag-along Shareholder in connection with the Drag-along Sale.

(e) The fees and expenses of North Bay incurred in connection with a Drag-along Sale and for the benefit of all Shareholders (it being understood that costs incurred by or on behalf of North Bay for its sole benefit will not be considered to be for the benefit of all Shareholders), to the extent not paid or reimbursed by the Company or the Third Party Purchaser, shall be shared by all the Shareholders on a pro rata basis, based on the aggregate consideration received by each Shareholder; provided that no Shareholder shall be obligated to make or reimburse any out-of-pocket expenditure prior to the consummation of the Drag-along Sale.

(f) Each Shareholder shall take all actions as may be reasonably necessary to consummate the Drag-along Sale, including entering into agreements and delivering certificates and instruments, in each case consistent with the agreements being entered into and the certificates being delivered by North Bay.

(g) North Bay shall have 180 days following the date of the Drag-along Notice in which to consummate the Drag-along Sale, on the terms set forth in the Drag-along

Notice (which such 180-day period may be extended for a reasonable time not to exceed 270 days to the extent reasonably necessary to obtain any Government Approvals). If at the end of such period, North Bay has not completed the Drag-along Sale, North Bay may not then effect a transaction subject to this Section 3.03 without again fully complying with the provisions of this Section 3.03.

Section 3.04 Tag-along Rights.

(a) If at any time that a Shareholder is permitted to Transfer Common Shares hereunder, a Shareholder (the "Selling Shareholder") proposes to Transfer any shares of its Common Shares to a Third Party Purchaser (the "Proposed Transferee") (and if the Selling Shareholder is North Bay and it cannot or has not elected to exercise its drag-along rights set forth in Section 3.03), each other Shareholder (other than the Atrium Nominee) (each, a "Tag-along Shareholder") shall be permitted to participate in such Transfer (a "Tag-along Sale") on the terms and conditions set forth in this Section 3.04.

(b) Prior to the consummation of any such Transfer of Common Shares described in Section 3.04(a), and after satisfying its obligations (if any) pursuant to Section 3.02, the Selling Shareholder shall deliver to the Company and each other Shareholder a written notice (a "Sale Notice") of the proposed Tag-along Sale subject to this Section 3.04 no later than 20 Business Days prior to the closing date of the Tag-along Sale. (ii) the identity of the Proposed Transferee;

(iii) the proposed date, time and location of the closing of the Tag-along Sale;

(iv) the per share purchase price and the other material terms and conditions of the Transfer, including a description of any non-cash consideration in sufficient detail to permit the valuation thereof; and

(v) a copy of any form of agreement proposed to be executed in connection therewith.

(c) Each Tag-along Shareholder shall exercise its right to participate in a Transfer of Common Shares by the Selling Shareholder subject to this Section 3.04 by delivering to the Selling Shareholder and the Company a written notice (a "Tag-along Notice") stating its election to do so and specifying the number of Common Shares to be Transferred by it no later than five Business Days after receipt of the Sale Notice (the "Tag-along Period"). If there are no Tag-along Shareholders or if all of the Tag-along

Shareholders deliver to the Selling Shareholder and the Company Tag-along Notices with respect to all of the Common Shares held by such Tag-along Shareholders, then the Company shall deliver a notice to the Atrium Nominee within three Business Days of the end of the Tag-along Period notifying the Atrium Nominee of that fact whereupon the Atrium Nominee shall be entitled to elect to participate in such Tag-along Sale under this Section 3.04 alongside the other Shareholders in respect of all of the Common Shares held by it (but not part only thereof) by delivering to the Selling Shareholder and the Company a written notice (a "Atrium Nominee Tag Notice") within fifteen (15) Business Days after the end of the Tag-along Period stating its election to do so (and in which case references hereafter to "Tag-along Shareholder(s)" shall be construed to include the Atrium Nominee accordingly). The offer of each Tag-along Shareholder set forth in a Tag-along Notice (or an Atrium Nominee Tag Notice, as applicable) shall be irrevocable, and, to the extent such offer is accepted, such Tag-along Shareholder shall be bound and obligated to Transfer in the proposed Transfer on the terms and conditions set forth in this Section 3.04. The Selling Shareholder and each Tag-along Shareholder shall have the right to Transfer in a Transfer subject to this Section 3.04 the number of Common Shares equal to the product of (x) the aggregate number of Common Shares the Proposed Transferee proposes to buy as stated in the Sale Notice and (y) a fraction (A) the numerator of which is equal to the number of Common Shares then held by the Selling Shareholder or such Tag-along Shareholder, as the case may be, and (B) the denominator of which is equal to the number of shares then held by the Selling Shareholder and each Tag-along Shareholder.

(d) Each Tag-along Shareholder who does not deliver a Tag-along Notice (or an Atrium Nominee Tag Notice, as applicable) in compliance with Section 3.04(c) above shall be deemed to have waived all of such Tag-along Shareholder's rights to participate in such Transfer, and the Selling Shareholder shall (subject to the rights of any participating Tag-along Shareholder) thereafter be free to Transfer to the Proposed Transferee its Common Shares at a per share price that is no greater than the per share price set forth in the Sale Notice and on other terms and conditions which are not materially more favorable to the Selling Shareholder than those set forth in the Sale Notice without any further obligation to the non-accepting Tag-along Shareholders.

(e) Each Tag-along Shareholder participating in a Transfer pursuant to this Section 3.04 shall receive the same consideration per share as the Selling Shareholder after deduction of such Tag-along Shareholder's proportionate share of the related expenses in accordance with Section 3.04(g) below.

(f) Each Tag-along Shareholder shall make or provide the same representations, warranties, covenants, indemnities and agreements as the Selling Shareholder makes or provides in connection with the Tag-along Sale (except that in the case of representations, warranties, covenants, indemnities and agreements pertaining specifically to the Selling Shareholder, the Tag-along Shareholder shall make the

comparable representations, warranties, covenants, indemnities and agreements pertaining specifically to itself); provided that all representations, warranties, covenants and indemnities shall be made by the Selling Shareholder and each Tag-along Shareholder severally and not jointly and any indemnification obligation in respect of breaches of representations and warranties shall be pro rata based on the consideration received by the Selling Shareholder and each Tag-along Shareholder, in each case in an amount not to exceed the aggregate proceeds received by the Selling Shareholder and each such Tag-along Shareholder in connection with any Tag-along Sale.

(g) The fees and expenses of the Selling Shareholder incurred in connection with a Tag-along Sale and for the benefit of all Shareholders (it being understood that costs incurred by or on behalf of the Selling Shareholder for its sole benefit will not be considered to be for the benefit of all Shareholders), to the extent not paid or reimbursed by the Company or the Proposed Transferee, shall be shared by all the Shareholders participating in the Tag-along Sale on a pro rata basis, based on the aggregate consideration received by each such Shareholder; provided that no Shareholder shall be obligated to make or reimburse any out-of-pocket expenditure prior to the consummation of the Tag-along Sale.

(h) Each Tag-along Shareholder shall take all actions as may be reasonably necessary to consummate the Tag-along Sale, including entering into agreements and delivering certificates and instruments, in each case consistent with the agreements being entered into and the certificates being delivered by the Selling Shareholder.

(i) The Selling Shareholder shall have 180 days following the expiration of the Tag-along Period in which to Transfer the Common Shares described in the Sale Notice, on the terms set forth in the Sale Notice (which such 180-day period may be extended for a reasonable time not to exceed 270 days to the extent reasonably necessary to obtain any Government Approvals). If at the end of such period, the Selling Shareholder has not completed such Transfer, the Selling Shareholder may not then effect a Transfer of Common Shares subject to this Section 3.04 without again fully complying with the provisions of this Section 3.04.

(j) If the Selling Shareholder Transfers to the Proposed Transferee any of its Common Shares in breach of this Section 3.04, then each Tag-along Shareholder shall have the right to Transfer to the Selling Shareholder, and the Selling Shareholder undertakes to purchase from each Tag-along Shareholder, the number of Common Shares that such Tag-along Shareholder would have had the right to Transfer to the Proposed Transferee pursuant to this Section 3.04, for a per share amount and form of consideration and upon the terms and conditions on which the Proposed Transferee bought such Common Shares from the Selling Shareholder, but without indemnity being granted by any Tag-along Shareholder to the Selling Shareholder; provided that nothing contained in this Section 3.04 shall preclude any Shareholder from seeking alternative remedies against such Selling Shareholder as a result of its breach of this Section 3.04.

(k) Notwithstanding the foregoing provisions of this Section 3.04, the Atrium Nominee shall be permitted to Transfer Common Shares to the Company or the Company's designee in connection with any Leaver Sale without complying with the terms of this Section 3.04.

Section 3.05 Call Right.

(a) At any time during the period beginning on September 6, 2018, and ending on December 5, 2018, or at any time following September 6, 2020, North Bay shall have the right (a "Call Right") by written notice to the other Shareholders to purchase all, but not less than all, of the Common Shares owned by the other Shareholders and their Permitted Transferees.

(b) The purchase price payable by North Bay upon the exercise of the Call Right shall be equal to fair market value of the Common Shares held by the relevant Shareholder(s) and their Permitted Transferees which are the subject of the Call Right as exercised pursuant to this Section 3.05 (the "Relevant Shareholder(s)") calculated based on the overall fair market value of the Company determined on a going concern basis as between a willing buyer and willing seller with no discount for illiquidity or a minority interest, as determined in good faith by North Bay (the "Fair Market Value"); provided that any other Shareholder (including the Atrium Nominee) may request that the Company obtain a third party appraisal, and the fair market value determined by such appraiser (determined on a going concern basis as between a willing buyer and a willing seller with no discount for illiquidity or a minority interest) shall be the relevant Fair Market Value; provided, however, if the fair market value determination of such appraiser is equal to or less than 110% of North Bay's determination, all fees and expenses of such third party appraiser shall be borne by the requesting Shareholder.

(c) Within 90 days after the date of the final determination of the Fair Market Value pursuant to this Section 3.05 (which period shall be extended solely to the extent needed to obtain any required Government Approvals, provided, that the Shareholders shall, and shall cause their Permitted Transferees to, have used their reasonable best efforts to obtain such approvals in a timely manner, the Relevant Shareholders shall, and shall cause their Permitted Transferees to, sell to North Bay, free and clear of any Liens, all of the Common Shares held by them.

(d) Each Shareholder shall take all actions as may be reasonably necessary to consummate the sale contemplated by this Section 3.05, including entering into agreements and delivering certificates and instruments and consents as may be deemed necessary or appropriate.

(e) At the closing of any sale and purchase pursuant to this Section 3.05, the Relevant Shareholders shall, and shall cause their Permitted Transferees to, deliver to North Bay the certificate or certificates representing their Common Shares (if any),

accompanied by stock powers and all necessary stock transfer taxes paid and stamps affixed, if necessary, against receipt of the purchase price therefor from North Bay by wire transfer of immediately available funds.

ARTICLE 4
PRE-EMPTIVE RIGHTS AND OTHER AGREEMENTS

Section 4.01 North Bay Pre-emptive Right.

(a) The Company hereby grants to North Bay the right to purchase its pro rata portion of any new Common Shares (other than any Excluded Securities) (the "New Securities") that the Company may from time to time propose to issue or sell to any Person.

(b) The Company shall give written notice (an "Issuance Notice") of any proposed issuance described in subsection (a) above to North Bay within five Business Days following any meeting of the Board at which any such issuance or sale is approved. The Issuance Notice shall set forth the material terms and conditions of the proposed issuance, including:

(i) the number of New Securities proposed to be issued and the percentage of the Company's outstanding Common Shares, on a fully diluted basis, that such issuance would represent;

(ii) the proposed issuance date, which shall be at least 20 Business Days from the date of the Issuance Notice; and

(iii) the proposed purchase price per share.

(c) North Bay shall for a period of 15 Business Days following the receipt of an Issuance Notice (the "Exercise Period") have the right to elect irrevocably to purchase, at the purchase price set forth in the Issuance Notice, any or all of the New Securities by delivering a written notice to the Company. Such election to purchase New Securities shall be binding and irrevocable.

(d) The Company shall be free to complete the proposed issuance or sale of New Securities described in the Issuance Notice with respect to any New Securities not elected to be purchased pursuant to Section 4.01(c) above in accordance with the terms and conditions set forth in the Issuance Notice (except that the amount of New Securities to be issued or sold by the Company may be reduced) so long as such issuance or sale is closed within 180 days after the expiration of the Exercise Period (subject to the extension of such 180-day period for a reasonable time not to exceed 270 days to the extent reasonably necessary to obtain any Government Approvals). In the event the Company has not sold such New Securities within such time period, the Company shall not thereafter issue or sell any New Securities without first again offering such securities to North Bay in accordance with the procedures set forth in this Section 4.01.

(e) Upon the consummation of the issuance of any New Securities in accordance with this Section 4.01, the Company shall deliver to North Bay certificates (if any) evidencing the New Securities, which New Securities shall be issued free and clear of any Liens (other than those arising hereunder or under Applicable Law and those attributable to the actions of the purchasers thereof), and the Company shall so represent and warrant to the purchaser thereof, and further represent and warrant to such purchaser that such New Securities shall be, upon issuance thereof to North Bay and after payment therefor, duly authorized and validly issued. North Bay shall deliver to the Company the purchase price for the New Securities purchased by it (if any) by wire transfer of immediately available funds. Each party to the purchase and sale of New Securities shall take all such other actions as may be reasonably necessary to consummate the purchase and sale including entering into such additional agreements as may be necessary or appropriate.

Section 4.02 Corporate Opportunities. Notwithstanding anything contained in this Agreement or under Applicable Law to the contrary (to the full extent permitted by Applicable Law), (i) North Bay and its Affiliates (A) may engage in or possess an interest in other business ventures of any nature and description (whether similar or dissimilar to the business of the Company or any of its Subsidiaries), independently or with others, and none of the Company, any Subsidiary, any other Shareholder, and each of their respective Affiliates shall have any right by virtue of this Agreement in or to any such investment or interest of North Bay, any Director and any of its or their respective Affiliates to any income or profits derived therefrom, and the pursuit of any such venture shall not be deemed wrongful or improper, and (B) shall not be obligated to present any investment opportunity to the Company or any Subsidiary even if such opportunity is of a character that, if presented to the Company or any Subsidiary, could be taken by the Company or such Subsidiary, and (ii) the parties hereby waive (and the Company shall cause the Subsidiaries to waive) to the fullest extent permitted by law any fiduciary or other duty of North Bay and the Directors not expressly set forth in this Agreement, including fiduciary or other duties that may be related to or associated with self-dealing, corporate opportunities or otherwise, in each case so long as such Person acts in a manner consistent with this Agreement.

Section 4.03 Confidentiality.

(a) Each Shareholder shall, and shall cause its Representatives to, keep confidential and not divulge any information (including all budgets, business plans and analyses) concerning the Company and its Subsidiaries, including its assets, business, operations, financial condition or prospects ("Information"), and to use, and cause its Representatives to use, such Information only in connection with the operation of the Company and its Subsidiaries; provided that nothing herein shall prevent any Shareholder

from disclosing such Information (i) upon the order of any court or administrative agency, (ii) upon the request or demand of any regulatory agency or authority having jurisdiction over such Shareholder, (iii) to the extent compelled by legal process or required or requested pursuant to subpoena, interrogatories or other discovery requests, (iv) to the extent necessary in connection with the exercise of any remedy hereunder, (v) to other Shareholders, (vi) to such Shareholder's Representatives that in the reasonable judgment of such Shareholder need to know such Information or (vii) to any potential Permitted Transferee in connection with a proposed Transfer of Common Shares from such Shareholder as long as such transferee agrees to be bound by the provisions of this Section 4.03 as if a Shareholder; provided, further, that in the case of clause (i), (ii) or (iii), such Shareholder shall notify the other Shareholders of the proposed disclosure as far in advance of such disclosure as practicable and use reasonable efforts to ensure that any Information so disclosed is accorded confidential treatment, when and if available.

(b) The restrictions of Section 4.03(a) shall not apply to information that (i) is or becomes generally available to the public other than as a result of a disclosure by a Shareholder or any of its Representatives in violation of this Agreement; (ii) is or becomes available to a Shareholder or any of its Representatives on a non-confidential basis prior to its disclosure to the receiving Shareholder and any of its Representatives, (iii) is or has been independently developed or conceived by such Shareholder without use of the Company's or any of its Subsidiaries' Information or (iv) becomes available to the receiving Shareholder or any of its Representatives on a non-confidential basis from a source other than the Company or any of its Subsidiaries, any other Shareholder or any of their respective Representatives; provided that such source is not known by the recipient of the information to be bound by a confidentiality agreement with the disclosing Shareholder or any of its Representatives. Furthermore, Section 4.03(a) shall not restrict the Enstar Shareholder and its Affiliates from disclosing any Information required to be disclosed under applicable securities laws or the rules of any stock exchange upon which their securities are traded.

ARTICLE 5 CESSATION OF EMPLOYMENT

Section 5.01 Leavers. If a Beneficial Owner leaves employment with the Atrium Group and/or otherwise ceases to be an employee or officer of or consultant to a member of the Atrium Group for whatever reason, such Beneficial Owner will become a "Leaver" in relation to any Common Shares (or other shares of the Company which are issued pursuant to a scheme approved by the Board for the return of income or capital to shareholders) held by the Atrium Nominee (as Nominee) on behalf of such Beneficial Owner. If the Company elects to exercise its rights under the Leaver Sale Provisions (a "Leaver Sale"), then the Atrium Nominee shall be permitted hereunder to Transfer any Common Shares held by the Atrium Nominee on behalf of such Leaver in accordance with the terms of the Leaver Sale Provisions.

(a) Such Shareholder (if an entity) is a corporation, company, partnership or limited liability company duly organized or formed, validly existing and in good standing under the laws of its jurisdiction of organization.

(b) Such Shareholder (if an entity) has full corporate, company or partnership power and authority to execute and deliver this Agreement, to perform its obligations hereunder and to consummate the transactions contemplated hereby. Such Shareholder has duly executed and delivered this Agreement.

(c) This Agreement constitutes the legal, valid and binding obligation of such Shareholder, enforceable against such Shareholder in accordance with its terms except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law). The execution, delivery and performance of this Agreement and the consummation of the transactions contemplated hereby, require no action by or in respect of, or filing with, any Governmental Authority.

(d) The execution, delivery and performance by such Shareholder of this Agreement and the consummation of the transactions contemplated hereby do not (i) conflict with or result in any violation or breach of any provision of any of the organizational documents of such Shareholder (if an entity), (ii) conflict with or result in any violation or breach of any provision of any Applicable Law or (iii) require any consent or other action by any Person under any provision of any material agreement or other instrument to which the Shareholder is a party.

(e) Except for this Agreement, the Contribution and Exchange Agreement, the Plans (including the ancillary documentation relating to the acquisition of Common Shares pursuant to the Plans) and the Nominee Agreements, such Shareholder has not entered into or agreed to be bound by any other agreements or arrangements of any kind with any other Person with respect to the Common Shares, including agreements or arrangements with respect to the acquisition or disposition of the Common Shares or any interest therein or the voting of the Common Shares (whether or not such agreements and arrangements are with the Company or any other Person).

The

definitions given for any defined terms in this Agreement shall apply equally to both the singular and plural forms of the terms defined. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. Unless the context otherwise requires, references herein: (x) to Articles, Sections, and Exhibits mean the Articles and Sections of, and Exhibits attached to, this Agreement; (y) to an agreement, instrument or other document means such agreement, instrument or other document as amended, supplemented and modified from time to time to the extent permitted by the provisions thereof and (z) to a statute means such statute as amended from time to time and includes any successor legislation thereto and any regulations promulgated thereunder. The Exhibits referred to herein shall be construed with, and as an integral part of, this Agreement to the same extent as if they were set forth verbatim herein.

Section 8.05 Headings. The headings in this Agreement are for reference only and shall not affect the interpretation of this Agreement.

Section 8.06 Severability. If any term or provision of this Agreement is invalid, illegal or unenforceable in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon such determination that any term or other provision is invalid, illegal or unenforceable, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

Section 8.07 Entire Agreement. This Agreement, the Organizational Documents, the Plans, the Nominee Agreements and the North Bay Shareholders' Agreement constitute the sole and entire agreement of the parties with respect to the subject matter contained herein and therein, and supersede all prior and contemporaneous understandings and agreements, both written and oral, with respect to such subject matter. In the event of any inconsistency or conflict between this Agreement and any Organizational Document, the Shareholders and the Company shall, to the extent permitted by Applicable Law, amend such Organizational Document to comply with the terms of this Agreement. In the event of any inconsistency or conflict between this Agreement and the North Bay Shareholders' Agreement, the Shareholders and the Company shall, to the extent permitted by Applicable Law, amend this Agreement to comply with the terms of the North Bay Shareholders' Agreement. In furtherance of the previous sentence, and without limiting the generality thereof, the parties agree inconsistencies or conflicts between this Agreement and the North Bay Shareholders' Agreement shall not be limited to those that may exist as of the Effective Date, but that

any inconsistency or conflict between this Agreement and the North Bay Shareholders' Agreement (or any agreement of the parties to the North Bay Shareholders' Agreement made in accordance with the terms thereof, if such agreement has not been reduced to writing in an amendment to the North Bay Shareholders' Agreement) arising after the Effective Date due to any act of or decision by (or any failure to act or make a decision) the parties to the North Bay Shareholders' Agreement undertaken or made in order to preserve and abide by the Existing Rights and Obligations shall also constitute such an inconsistency or conflict.

Section 8.10 Amendment and Modification; Waiver. This Agreement may only be amended, modified or supplemented by an agreement in writing signed by the Company and North Bay; provided that any amendment that would materially and adversely affect the rights or duties of a Shareholder shall require the consent of such Shareholder. No waiver by any party of any of the provisions hereof shall be effective unless explicitly set forth in writing and signed by the party so waiving. No waiver by any party shall operate or be construed as a waiver in respect of any failure, breach or default not expressly identified by such written waiver, whether of a similar or different character, and whether occurring before or after that waiver. No failure to exercise, or delay in exercising, any right, remedy, power or privilege arising from this Agreement shall operate or be construed as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege.

Section 8.11 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of New York without giving effect to any choice or conflict of law provision or rule (whether of New York or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than those of New York.

(a) ANY LEGAL SUIT, ACTION OR PROCEEDING ARISING OUT OF OR BASED UPON THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY MAY BE INSTITUTED IN THE FEDERAL COURTS

OF THE UNITED STATES OF AMERICA OR THE COURTS OF THE STATE OF NEW YORK IN EACH CASE LOCATED IN THE CITY OF NEW YORK AND COUNTY OF NEW YORK, AND EACH PARTY IRREVOCABLY SUBMITS TO THE EXCLUSIVE JURISDICTION OF SUCH COURTS IN ANY SUCH SUIT, ACTION OR PROCEEDING. Section 8.13 Equitable Remedies. Each party hereto acknowledges that the other parties hereto would be irreparably damaged in the event of a breach or threatened breach by such party of any of its obligations under this Agreement and hereby agrees that in the event of a breach or a threatened breach by such party of any such obligations, each of the other parties hereto shall, in addition to any and all other rights and remedies that may be available to them in respect of such breach, be entitled to an injunction from a court of competent jurisdiction (without any requirement to post bond) granting such parties specific performance by such party of its obligations under this Agreement.

Section 8.14 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to
