Item 1.01 Entry into a Material Definitive Agreement

On March 11, 2014, Enstar Group Limited (“Enstar”), Veranda Holdings Ltd., an entity in which Enstar owns an indirect 60% interest (“Veranda”), Hudson Securityholders Representative LLC and Torus Insurance Holdings Limited (“Torus”) entered into an Amended and Restated Agreement and Plan of Amalgamation (the “Amended Amalgamation Agreement”). The Amended Amalgamation Agreement amends and restates the original Amalgamation Agreement entered into between the same parties on July 8, 2013. The Amended Amalgamation Agreement continues to provide for the amalgamation (the “Amalgamation”) of Veranda and Torus (the combined entity, the “Amalgamated Company”). Torus is a global specialty insurer and holding company of six wholly-owned insurance vehicles, including Lloyd’s Syndicate 1301.

Pursuant to the Amended Amalgamation Agreement, the purchase price for the Amalgamation has been reduced from \$692.0 million to \$646.0 million. In addition, the parties have agreed that no portion of the purchase price will be held in an escrow account to fund any post-closing indemnity claims by Enstar. The original Amalgamation Agreement had contemplated \$46.0 million of the purchase price being held in such an escrow account. In lieu of the escrow, Enstar and Veranda will have limited post-closing indemnification rights directly against certain current shareholders of Torus for any breaches of specific fundamental representations in the Amended Amalgamation Agreement and certain identified covenants.

Enstar and its affiliates, on the one hand, and Trident V, L.P., Trident V Parallel Fund, L.P. and Trident V Professionals Fund, L.P. (collectively, “Trident”), the owner of the remaining 40% interest in Bayshore Holdings Ltd., the parent company of Veranda (“Bayshore”), on the other hand, will fund 60% and 40%, respectively, of the purchase price and all expenses related to the Amalgamation. The reduction in the purchase price will come from the previously disclosed cash portion of the purchase price, and Enstar will continue to be obligated to issue, upon the closing of the Amalgamation, 2,612,346 Enstar shares (which will consist of a combination of voting ordinary shares and Series B convertible non-voting preference shares) that had an aggregate value of approximately \$346.0 million (or \$132.448 per share) at the time the original Amalgamation Agreement was signed. Enstar will also contribute approximately \$45.2 million in cash to Bayshore to fund its remaining share of the purchase price and expenses related to the Amalgamation. Trident will contribute approximately \$260.8 million in cash to Bayshore to fund its share of the purchase price and expenses related to the Amalgamation. Following the Amalgamation, Enstar and Trident will continue to own, respectively, a 60% and 40% indirect interest in the Amalgamated Company through their ownership of Bayshore.

Completion of the Amalgamation is conditioned on, among other things, governmental and regulatory approvals and satisfaction of various customary closing conditions. The transaction is expected to close on the later of April 1, 2014 or three business days following the receipt of all governmental and regulatory approvals.
