Attention: Board of Directors

NON-BINDING INDICATIVE PROPOSAL

Enstar Group Limited is currently a 9.1% shareholder in Watford Holdings Ltd. (the “Company” or “Watford”) and we have recently increased our shareholding given our view that the current share price undervalues the true economic value of Watford. We understand that the Board of Directors of Watford have hired Morgan Stanley to help evaluate strategic options for the Company. We would be pleased to engage with Watford and its Board to help provide a solution and are pleased to provide you with our non-binding indicative proposal (“Proposal”) for the acquisition of 100% of the ordinary share capital of Watford. Our Proposal is based on due diligence and analysis conducted to date based on publicly available information and is subject to the satisfactory completion of our diligence and the agreement of definitive transaction documents.

i) Purchase price

Based on the diligence and analysis done to date, our Proposal is to pay \$31.00 per ordinary share at closing. The purchase price represents a premium to current market price of 35.1%. The form of consideration will be in 100% cash. Our purchase price is based on the assumption that the key contracts with Arch Capital Group and HPS Investment Partners would remain in place, but we are willing to discuss the early termination of those agreements if that would be preferable to such parties.

ii) Identity of acquirer

The acquiring entity will be a wholly-owned direct or indirect subsidiary of Enstar Group Limited. Enstar is a publicly traded company with \$21.3 billion in total assets. We have significant acquisition and integration experience, having completed over 100 transactions in our history.

iii) Due diligence requirements and timing

We would require the opportunity to conduct detailed due diligence that is commensurate with an acquisition of this size in all key areas including financial, actuarial, claims, legal, regulatory diligence. In addition, we would seek to engage with Arch and HPS on the potential for an early termination or restructuring of their contracts with the Company, particularly in light of any potential changes to the Company's business plan following the consummation of the transaction.

Enstar is willing to dedicate the necessary resources, including an experienced set of M&A professionals, to complete our due diligence and the negotiation of definitive documentation expeditiously.

iv) Conditions and Approvals

The final proposal will be subject to approval of Enstar's Board of Directors. Completion of the transaction contemplated by this Proposal would be subject to all necessary regulatory approvals.

v) **Contact information**

This Proposal can be discussed with Paul O'Shea (paul.oshea@enstargroup.com) and David Ni (david.ni@enstargroup.com).

We look forward to discussing this Proposal with you at your convenience.

Yours sincerely,

/s/ Paul O'Shea
